H. Other Recharge Center Services that DCM provides

Transgenic & In Vivo Service proposed rates:

In Vivo services.....	61.45/hr
Embryo Microinjection Services	4,358.97
Embryo Rederivation	1,201.32
Gene Target/ES Cell Electroporatio....	4,655.38
Embryo Cryopreservation	1,244.20
Sperm Cryopreservation.....	.992.61
In Vitro Fertilization.....	2,221.15
Consultant fee.....	153.90/hr

In Vivo is for colony management and experimental testing for research labs.

Transgenic prices are per session.

Gnotobiotic Services Rates

Isolator per diem	5.60/care-day
Tecniplast per diem.....	.6.04/care-day
Isolator set-up fee	781.19
Tecniplast extra cage.....	14.35/ea
GF Rederivation Service	6,790.75/ea
Swiss Webster GF mice.....	103.35/ea
Technical Serv. Support	37.36/hr
Advanced Tech service.....	61.26/hr

BSL3 & ABSL3 Services in SLU 7th floor

Facility room use fee.....	19.65/daily
Personnel entry fee.....	8.64/ea
General Technical support	35.22/hr
Advance Technical support.....	65.91/hr
ABSL3 per diem	4.70/care-day
Room decontamination	528.31/ea
Animal room use fee	19.65/daily
Autoclave processing waste.....	14.77/ea

NOTE: *Animals, services, and supplies sold to off-campus budgets are subject to an additional 18.6% University of Washington institutional overhead fee added to their invoices. All rates are subject to change without notice and final administrative review.*

HISTOLOGY AND IMAGING CORE SERVICES

HIC Immunohistochemistry

IHC <20	34.03/slide
IHC Bio Tech	45.26/slide

HIC Imaging Center

Imaging - Nanozoomer	53.32/hr
Imaging - Nanozoomer (Bio Tech)	70.92/hr
Imaging - Deltavision Core	57.27/hr
Imaging - Deltavision Core (Bio Tech)	76.17/hr
Imaging - Nikon 90i	24.68/hr
Imaging - Nikon 90i (Bio Tech)	32.83/hr
Imaging - Visiopharm	29.54/hr
Imaging - Visiopharm (Bio Tech)	39.29/hr

Routine Histology

Routine H&E Slide	15.05/blk
Routine H&E Slide w/Decal	20.95/blk
Routine H&E unassisted	6.32/blk
Routine H&E unassisted w/Decal	10.73/blk
Routine H&E Bio Tech	21.35/blk
Tissue processing	12.83/blk
Tissue processing w/Decal	19.63/blk
Tissue processing unassisted	5.04/blk
Tissue processing Bio Tech	17.07/blk

Paraffin Sectioning	8.35/slide
Paraffin Sectioning -(+)	9.17/slide
Paraffin Sectioning unassisted non-charged	0.53/slide
Paraffin Sectioning unassisted charged	1.33/slide
Paraffin Sectioning Biotech non-charged	11.10/slide
Paraffin Sectioning Biotech charged	12.20/slide
Cryo Sectioning	9.19/slide
Stain H&E	10.30/slide
Stain H&E unassisted	1.41/slide
Stain H&E Biotech	13.70/slide
Special Stain	18.26/slide

HIC Labor

HIC Labor Scientific Assistance	77.88/hr
HIC Labor Technical Assistance	47.90/hr
HIC Labor Biotech	103.58/hr
HIC Pathologist Consulting Please call lab for specific needs*

HIC Miscellaneous

Slide Box 50	16.27/ea
Slide Box 100	26.13/ea
Formalin/Decal Disposal Fee	5.75

NOTE: *Animals, services, and supplies sold to off-campus budgets are subject to an additional 18.6% University of Washington institutional overhead fee added to their invoices. All rates are subject to change without notice and final administrative review.*
