Please remember that although our fire code capacity is 100, our maximum seating may be less and can vary depending on the type of setup you require. Please contact our office with any questions.

*These diagrams are not to scale and are meant only to give suggestions and help you to better visualize our room and its different setup possibilities. The fire code and max seating numbers are exact. For availability of additional tables and chairs to supplement any of these setups, please contact our office. We can typically accommodate all custom setup requests when given 48-hours notice.
