

# HELP US BUILD A DIVERSE FACULTY FOR OUR DIVERSE STUDENTS

Located in the heart of downtown, the University of Washington Tacoma is a reflection of the city we call home. We come from a mix of different racial, ethnic, religious and socioeconomic backgrounds.

Our differences are our strength.

Our faculty, staff, and students are the drivers of change within the city and the university. Their diverse perspectives allow us to address real-world problems like inequality and climate change. The region is growing rapidly and with this change comes a need for fresh viewpoints and new ways of knowing. This is a great place to be and a great time to be here.
