Subject of Possible Rule Making (Provide rule title(s) and pertinent WAC chapter and section number(s).)

Statutes authorizing the University to adopt rules on this subject.

Reasons why rules on this subject may be needed and what they might accomplish.

Identify other federal and state agencies that regulate this subject, if any. Identify the process that will coordinate this rule(s) change with these agencies.

Process for Developing the Rule(s) Change:

Negotiated Rule Making*	Pilot Rule Making*	University of Washington (Agency) Study	Other (describe below)
-------------------------	--------------------	---	------------------------

*Negotiated rule making and pilot rule making are described in RCW 34.05.310 as follows:

- "Negotiated rule making by which representatives of an agency and of the interests that are affected by a subject of rule making, including, where appropriate, county and city representatives, seek to reach consensus on the terms of the proposed rule and on the process by which it is negotiated..."
- "Pilot rule making which includes testing the feasibility of complying with or administering draft new rules or draft amendments to existing rules through the use of volunteer pilot groups in various areas and circumstances..."

Identify any ways in which interested parties can participate in the decision to adopt the new rule(s) and to formulate the proposed rule before publication other than sending written comments to the UW Director of Rules Coordination.
