

**Class C Resolution: Support for the Establishment of a UW Sustainability Initiative and Campus Plan by 2020**

WHEREAS the GPSS has written and approved [Resolution No. 02.18-19](#) calling for the University of Washington to make sustainability a Key Initiative and to create a Comprehensive Sustainability Plan for implementation in 2020; and

WHEREAS the resolution notes critical new globally significant reports and information that increase the urgency of addressing climate change in a more aggressive manner; and

WHEREAS the resolution demonstrates numerous ways in which taking additional action is consistent with the University of Washington mission, values, and educational responsibilities; and

WHEREAS the resolution demonstrates that current resources and efforts of the University to advance sustainability would be incorporated and enhanced; and

WHEREAS the Faculty Council on University Facilities and Services has reviewed the GPSS resolution and found it appropriate for Senate endorsement; therefore

BE IT RESOLVED that the Faculty Senate of the University of Washington endorses the GPSS resolution.
