**Resolution Concerning  
University Initiatives Fund**

---

**Class C Resolution adopted at the May 24, 2001, Faculty Senate Meeting**

The University library system plays a central and essential role in university education and research. Because existing and potential budget cuts pose a serious and immediate threat to the health of this system, we therefore move that the University Libraries be exempted from all UIF cuts and the Chair of the Faculty Senate transmit this motion to the President of the University.
