Robin Angotti, Chair
Faculty Council on Women in Academia

Dear Professor Angotti:

The Faculty Council on Women in Academia is charged with responsibility “for all matters of policy relating to the interests of women” (Faculty Code, Sec 42-47).

Our recommendation is that the council identify specific goals that can be accomplished by the end of the 2018-19 academic year.

The Senate office did a background review to help identify goals for your council. This included review of minutes from last year’s meetings, review of discussions at Faculty Senate meetings, and selected outreach for topics. Recommended goals and / or topics for discussion include:

- Provide feedback on revision to Student Evaluations initiative led by the UW Office of Educational Assessment
- Continue to monitor development of new capital projects with an emphasis on addressing campus wellness room shortages

After your first council meeting, we will be available to discuss the goals your council identified. Thereafter, we will post your council’s goals on the Faculty Senate website to communicate the important work you are doing on their behalf.

Sincerely,

George Sandison
Chair, Faculty Senate
