Professor Lauren Montgomery, Chair
Faculty Council on Tri-campus Policy

Dear Professor Montgomery:

The Faculty Council on Tri-Campus Policy is charged with responsibility “for matters of academic and non-academic policy between and among the campuses of the University of Washington” (Faculty Code, Sec 42-46). Activities historically performed include conducting tri-campus review as part of the approval process for proposed curriculum changes, analyzing possibilities for synergy among UW campuses, and advising and informing key administrators from all three campuses on the issues and interests of the others.

Our recommendation is that the council identify specific goals that can be accomplished by the end of the 2020-21 academic year.

The Senate office did a background review to help identify goals for your council. This included review of minutes from last year’s meetings, review of discussions at Faculty Senate meetings, and selected outreach for topics. Recommended goals and/or topics for discussion include:

- Identify code changes that would create clear and consistent relationships, roles, and processes across the three campuses
- Engage in the process to craft the code change recommendations with the Faculty Council on Faculty Affairs and the Senate Executive Committee
- Reconsider the remaining tri-campus structure issues identified last year and seek additional topics:
 - Major Services related to Financial Aid
 - Research equity with the Faculty Council on Research
- Work with Faculty Council on Academic Standards on policy changes that impact all three campuses

After your first council meeting, we will be available to discuss the goals your council identified. Thereafter, we will post your council’s goals on the Faculty Senate website to communicate the important work you are doing.

Many thanks to you and the members of your council, on behalf of Senate Leadership and the faculty of the University, for all your time and work this coming year. I wish you all the best and look forward to working with you.

Sincerely,

Robin Angotti
