Workday is live! Where to go for help
 Workday, your new portal for HR, benefits and payroll, is now live. Get help online, by phone or in-person at the new Integrated Service Center.

Enroll in 2FA — it's required to access personal, payroll information in Workday
 You can sign in to Workday with your UW NetID and password, but you'll need two-factor authentication (2FA) to access payroll and some personal information, such as payslips, tax documents or home address.

UW Insider survey results are now available
 Thanks to everyone who took the time to respond to our recent UW Insider survey — your input will help us make continuous improvements to better meet your needs and preferences.
