[UW CareLink provides 24/7 support for employees](#)
 UW CareLink provides free support for numerous areas of our lives to all benefits-eligible UW employees, their dependents and household members. Through this program, qualified professionals provide confidential counseling, legal advice, financial guidance, manager consultation and more.

[Share and access learning resources through Canvas Commons](#)
 UW instructors can find, import and share learning resources in Canvas Commons, a repository now available in Canvas, UW's learning management system.

[Can video games solve world problems?](#)
 UW professors teamed up to create EarthGamesUW, which offers students and others at the UW a chance to design video games that are fun to play and enhance understanding about climate change.

NEWS AND RESOURCES

IT CONNECT

[Data management just got easier with new SQLShare release](#)

Now SQLShare has a friendlier user interface and faster file uploads. The web-based platform gives UW researchers a simple, secure tool to handle large-scale data sets.

HUMAN RESOURCES**[Schedule a 15-minute appointment at the Mammogram Van on March 8](#)**

THE WHOLE U**[Celebrate National Nutrition Month with a healthy potluck](#)**

Team up with your coworkers to host a healthy potluck any time in March. Share your pictures with The Whole U for a chance to win mini window herb garden sets.

[Cooking Demo with Chef Andrea — Mushroom Kasha Savory](#)

Tired of the usual sweet breakfast porridges? Join us at the Chef's Table in Lander Hall and learn how to make a delicious, nutritious, savory kasha breakfast.

COMMUNITY**[UW's position on hateful flyers, graffiti](#)**

You may be aware of recent instances of racist flyers appearing at or around the UW. Such posting, which as UW President Ana Mari Cauce noted in a recent blog post, is totally at odds with the University's values and will not be tolerated.
