The diagram consists of 12 rectangular boxes, each representing a month. The boxes are arranged in three rows. The top row contains October, November, December, and January. The middle row contains June, May, April, March, and February. The bottom row contains July, August, September, and October. An arrow starts from the right side of the January box, goes down, then left, then down again to point at the February box. Another arrow starts from the left side of the February box, goes left, then down, then left again to point at the July box.
