UW Alumni Tours is a program of the UW Alumni Association
Each of these tours is custom-designed specifically for Small Groups. Tours Designed Specifically for Small Groups:

- Many of our tours are escorted by UW hosts. Our hosts are there to assist you throughout the trip and to help make sure your travel plans are perfect. They are professional planners who know their destination inside and out.

- As with all travel, there is some physical activity involved in the day-to-day travel. However, because our tours are smaller, you’ll have the opportunity to do less yard work and more exploring. See our note on physical activities.

- In addition to the freedom, flexibility, and camaraderie that our small group engenders, you’ll enjoy personal, authentic encounters while traveling. Rather than descending on an ancient ruin or provincial village, we make a minimum of impact—so we have maximum opportunity to enjoy them and for responsible travel. Many of our tours include visits with local families in their homes or villages, and excursions to small towns and marketplaces. And simply because of our small size, we can move around faster and easier—leaving more time for seeing and doing. These small group tours include a great deal of thoughtful and engaging sightseeing and activities, such as museum tours, wildlife safaris, and UNESCO sites. As you’ll see on the following pages, we include all the highlights, and much more.

- High Quality and Outstanding Value:
   Traveling is an investment, and we make sure you get the best value for your money. Our trips allow you to stretch your travel dollar so that you can experience a wide variety of cultural, educational and recreational activities without any surprise charges. At UW Alumni Tours and Odysseys Unlimited, “value” doesn’t mean the lowest price around. We believe it’s a ratio of quality and service to price; of expectations met or exceeded based on what was promised—and what is delivered. We strive to provide excellent value by securing the best possible rates and including many meals, comprehensive sightseeing, and most gratuities, while always being mindful of quality and service. Of course, the best value of all is indeed priceless: the privilege of traveling in a small group of just 12 to 24 guests.

- UW Alumni Association Hosts:
   Many of our tours are escorted by UW hosts. Our hosts are there to assist you throughout the trip and to help make sure your travel plans are perfect. They are professional planners who know their destination inside and out.

- I Highly Recommend UW Tours because of the Great Accommodations, Organized Itineraries, Great Local Guides, and Fun UW Tour Hosts.

- Knowledgeable Tour Directors:
   We are dedicated to educational travel. Odysseys Unlimited tour directors rank among the best in the business; their love of travel is equaled only by their desire to share their enthusiasm and knowledge with others. Most trips also feature lectures given by local experts.

- For Our Valued Repeat Travelers: Save $100-$300 on Your Next Trip:
   Once you’ve traveled with UW and Odysseys Unlimited, you’ll save $100 per person on your next trip with us. After your third trip, you’ll save $200 per person, $100 per person after your fourth trip. We thank you for your past travels with UW and Odysseys Unlimited and look forward to providing you with excellent service and memorable trips in the future.

- Distinctive Hotels Enhance Your Small Group Travel Experience:
   Many of our tours include the use of hearing aids and amplifiers. We’re continually seeking new ways to enhance our tours, and many of our tours include the use of hearing devices.

- Assisted Hearing Devices:
   We’re continually seeking new ways to enhance our tours, and many of our tours include the use of hearing devices that enable you to hear the tour guide from far away.

- What Our Tours Are Like...
   Our tours are tea-length tours. You don’t have to be a UW grad to join one of our tours! Member dues of the UW Alumni Association support our travel programs, making these tours possible. Due to this, we ask that one traveler per reservation join the UW Alumni Association. If you are not a current member when you make a tour reservation, we’ll send you an application with your confirmation letter. Membership is open to all friends and alumni of the University of Washington. Details about membership are available at UWAlum.com.

Discovering Portugal

13 days for $4,572 total price from Seattle ($4,095 air & land inclusive plus $477 airline taxes and fees)

From Lisbon to the north of Portugal, through the Alto Minho region and south to the Algarve, our small group navigates the gentle charms of this country rich in history, blend with natural beauty, and well-served in hospitality. Complementing our discoveries: stay in three unique pousadas, Portugal’s famed historic lodgings.

Day 1: Depart U.S. for Lisbon, Portugal

Day 2: Arrive Lisbon We arrive in the Portuguese capital and transfer to our hotel. Late this afternoon we meet our fellow travelers and Odysseys Unlimited Tour Director as a briefing about the journey ahead, followed by a welcome dinner at our hotel.

Day 3: Highlights of our tour of one of the world’s oldest cities include the 16th century Jerónimos Monastery, whose Venetian Gama spent his last night ashore before sailing to the Far East; Belém Tower, a masterpiece of Manueline architecture; and the Monumental Tombs commemorating Portugal’s Age of Discovery. Next we step back in time as we walk through the Alfama, Lisbon’s oldest district that was spared destruction in the earthquake of 1755. We check in at our pousada, our home for the next three nights, atop Monte de Santa Luzia. Our dinner here tonight features traditional Portuguese cuisine, cod with potatoes and caramelized onions.

Day 4: Cascais/Sintra The first stop on today’s discoveries: Pena Palace, the colorful architectural extravaganza boasting double chimneys and multiple design styles. Following our tour here, we continue on to the nearby coastal resort of Cascais, where we visit the Castilho of Cascais, built between the 15th and 18th centuries. Once a summer retreat for royalty, today the citadel houses a museum, which we tour, and a delice hotel. Then we walk through Cascais Old Town, and tour the Castilho of Cascais, originally a fort and now a museum. Dinner tonight is on our own in Lisbon.

Day 5: Lisbon/Vianna do Castelo Traveling north today, we stop in the classic fortified town of Olios, where we take a walking tour through its medieval streets. Then we continue on to the historic town of Vianna do Caminho on Portugal’s Costa Verde. As we check in at our pousada, our home for the next three nights, atop Monte de Santa Luzia. Our dinner here tonight features traditional Portuguese sauce, cod with potatoes and caramelized onions.

Day 6: Oporto Today we visit Oporto, the country’s second largest city known for its rich history, multiple bridges spanning the Douro River, and as the home of port wine. Highlights of our panoramic city tour include the medieval city center, a UNESCO site; and the baroque Clérigos Church, with its spectacular bell tower. Then we enjoy a private “lush-lag” cruise on the Douro, upon whose banks the Romans planted grape vines millennia ago. Our tour ends with a visit to a post lodge for a tasting of the fortified wine eaux de this region. Late this afternoon we return to our pousada, where we dine this evening.

Day 7: Guimaraes/ Braga We travel to the lovely city of Guimaraes, considered the “birthplace” of Portugal for being the birthplace of Afonso Henriques, the country’s first king. With its well-preserved historical center (a UNESCO site) and harmonious design, Guimaraes is closely tied to the Portuguese national identity. We get a taste of this unique atmosphere on a walking tour through the medieval streets and squares lined with period houses, and past such landmarks as the castle, Chapel of St. Michael, Palace of the Dukes of Braganza, and graceful Square Oliveira. After lunch on our own, we depart for nearby Braga, a 2,000-year-old city (and Portugal’s third largest city) young by the presence of university students. Known for its religious heritage, Braga is a detect town located by narrow lanes, plazas, and an abundance of baroque churches. Highlights of our walking tour include the formidable Torre de Menagem, Largo do Paco square, and the Church of St. Peter of theaskets, one of the country’s most important buildings.

Day 8: Viana do Castelo/Coimbra/Estremoz Today’s travel takes us first to historic Coimbra, where we take a walking tour of one of the world’s oldest universities, a UNESCO site. We also visit the Santa Cruz Monastery to see the medieval tower and cemetery. Then we continue our journey south to Estremoz, the Alentejo region, Portugal’s agricul- tural heartland with its bustling fields of wheat, fragrant vineyards, and the remains of ancient castles. Late afternoon we reach our pousada set in a 15th-century castle in the historic city center. B, D

Day 9: Beja Today’s morning walking tour of the walled city of Beja introduces us to the legacy of this architectural gem – a university town, prosperous cultural center, and UNESCO site, thanks to the many relics from its Roman and Moorish past. We see the medieval castle, the 12th-century Jerónimos Castle; and the baroque Church of St. Francis. Our second walk today involves the 16th Century Chapel of Bones adorned with skulls and bones. Then we have free time today to explore this Golden Age city independently. Mid-afternoon we depart for Estremoz and our pousada, dinner tonight at a local restaurant.

Day 10: Estremoz/Sagres As we continue our journey Portugal’s Age of Discovery, we arrive late morning at a country estate lush with vineyards, olive groves, and forests of cork oak. Here we learn about olive oil and wine production and enjoy a tasting, followed by lunch in the lovely surroundings. Later, we continue on to the picturesque town of Sagres and our intimate pousada overlooking the Atlantic and off shore promontory. Dinner tonight is at our pousada, whose restaurant specializes in local seafood.

Day 11: Sagres/Lagos Today we encounter this region that launched Portugal’s Age of Discovery, when in the 15th century, explorers went out to sea, sailed along the coast of Africa, and eventually reached the Cape of Good Hope and beyond. It was Prince Henry the Navigator who sponsored these expeditions; much of our touring in the historical town of Lagos and in Sagres today celebrates his legacy. Our explorations begin with a cruise along the coastline, featuring the dramatic rocks of Praia do Pindo. Next, we visit the Aveiro Museum inside the Church of St. Anthony; see the statues of Prince Henry the Navigator; and stop at the Praia do Pindo and Cape St. Vincent viewpoints to witness the dramatic Atlantic as it nears shore at many reefs and small islands. Then we visit the charming village of Sagres. B, D

Day 12: Lagos/Estremoz We embark on a leisurely drive back to Lisbon today, stopping for lunch on our own along the way. After reaching our hotel in a roomy 15th century castle, we have time at leisure until we gather to celebrate our discoveries at tonight’s farewell dinner. B, D

Day 13: Depart for U.S. We transfer to the airport this morning for our connecting flights to the U.S. B

Africa’s Wildlife
On Safari in Botswana, Zambia & Victoria Falls

14 days for $8,084 total price from Seattle
($7095 air, land & safari inclusive plus 1989 airfare taxes and fees)
A glimpse of a world realized amidst the singular safari in Botswana’s Chobe National Park, where elephants preside over a bounty of wildlife, Zimbabwe’s dazzling and peaceful Victoria Falls, and Zambia’s exceptional Lower Zambezi National Park, a remote jewel of an unspoiled preserve.

Day 1: Depart U.S. for Johannesburg, South Africa
Upon arrival we transfer to our hotel in the suburb of Rosebank, where our rooms will be ready for our early check-in. At dinner’s end we might enjoy our included visit to the Apartheid Museum, or perhaps enjoy a visit to a fascinating guest speaker on “The Story of David Livingstone.”

Day 2: Arrive Johannesburg
Upon arrival we transfer to our hotel for a late breakfast. We then enjoy a short walking tour of the Apartheid Museum, and the fascinating story of the Soweto Uprising of 1976. We’ll then transfer to Johannesburg’s Fine Arts Museum, which is in town. We then continue to our hotel in the suburb of Rosebank, where our rooms will be ready for our early check-in. Tonight we enjoy our included visit to the Apartheid Museum.

Day 3: Johannesburg/Soweto
We meet our fellow travelers today as we embark on a tour of the Soweto district of Johannesburg. Here we see the home of the former Archbishop Desmond Tutu; visit Nelson Mandela’s home, which is now a museum, and tour the museum. We then visit the Hector Pieterson Memorial and Museum, where we learn more about apartheid and the Soweto uprising of 1976. Then we enjoy our included visit to the Soweto Museum.

Day 4: Johannesburg/Victoria Falls
We fly today to Livingstone, Zambia, then transfer to Victoria Falls and our lodge. This afternoon we are free for a leisurely stroll, or perhaps enjoy a visit to the Victoria Falls Observation Deck.

Day 5: Victoria Falls
This morning we embark on a game drive to spot the elusive – and critically endangered – black rhino. Afternoon, we visit the “smoke that thunders,” Victoria Falls, the “smoke that thunders.”

Day 6: Victoria Falls
After breakfast, we embark on a “bandwidth” dinner cruise on the Zambezi where we see wildlife on shore and in the water. We’ll then embark on a guided canoe trip on the Zambezi River, where we may see hippo, crocodiles, and some of the lodge’s game-viewing activities.

Day 7: Victoria Falls/Chobe National Park, Botswana
This morning we visit Victoria Falls town and a local village, this afternoon we see wildlife on shore and in the water. We’ll then enjoy our included visit to the Victoria Falls observation deck.

Day 8: Chobe National Park
Served for its diverse terrain that attracts an array of wildlife – including the world’s largest elephant population (some 120,000), along with zebra, lion, giraffe, impala, and buffalo – Chobe covers 4,115 square miles of protected parkland. We’ll see a portion of this national park on our early morning game drive and this afternoon’s boat safari. And this evening perhaps we’ll see one of the wildlife safaris for which Chobe is known.

Day 9: Chobe National Park
We’re settling into a comfortable routine, with early morning and late afternoon game drives. In between game-viewing activities, we’re at leisure to enjoy the amenities of our lodge on the banks of the Chobe River, adjacent to the park itself.

Day 10: Chobe National Park/Lower Zambezi National Park, Zambia
This morning we board a privately chartered plane for the 1-hour safari flight to Lower Zambezi National Park, Zambia’s newest national park (since 1989) and, as the former private sanctuary of Zambia’s president, the least developed. Here in one of Africa’s last stretches of pristine wilderness, we see wildlife on shore and in the water.

Day 11: Lower Zambezi National Park
Day of game-viewing activities. This lush riverine environment of 50 mammal species, including hippo, kudu, warthog, and lion, among other wildlife. Together with Zambia’s renowned Mana Pools Reserve situated across the river, the Lower Zambezi National Park forms a massive sanctuary and UNESCO World Heritage site where we’re certain to enjoy unparalleled game viewing – and perhaps even see other safari animals.

Day 12: Lower Zambezi National Park
We have another day to engage in game-viewing activities in this lush riverine environment of 50 mammal species and 400 bird species. With the Zambezi River, surrounded by a game-viewing sanctuary and UNESCO World Heritage site where we’re certain to enjoy unparalleled game viewing – and perhaps even see other safari animals.

Classici Safari: Kenya & Tanzania

16 days for $8,896 total price from Seattle ($8,095 air & land safari inclusive plus $801 airline taxes and fees)

On safari... it’s one of the most alluring places in all of travel. And Kenya and Tanzania count among the most alluring places to be “on safari.” At our small group travels from grasslands to highlands, to reserves and national parks, we enjoy exquisite game drives, see incredible landscapes, stay in excellent accommodations, and meet gracious local people.

We go on safari in Kenya’s Amboseli National Park, in the shadow of Mt. Kilimanjaro.

Day 1: Depart U.S. for Nairobi, Kenya

Day 2: Arrive Nairobi After arriving in Nairobi, we transfer to our hotel. As arrival times may vary greatly, we have no group activities or meals planned.

Day 3: Nairobi We see highlights of Kenya’s cosmopolitan capital city today, stopping for a tour of the Karen Blixen Museum, the one-time home of the Danish writer, who, as Isak Dinesen, wrote Out of Africa. We also visit the Giraffe Centre, where we see several of the endangered Rothschild giraffes here up close. Tonight, we enjoy a welcome dinner at our hotel.

Day 4: Nairobi/Amboseli We try to maxi-drive this morning to Amboseli National Park in the shadow of snowcapped Mt. Kilimanjaro, the Maasai’s “white mountain” and the world’s tallest free-standing mountain at 19,336 feet. Known for its many elephants, Amboseli boasts wide, dry plains also teeming with herds of wildebeest, zebras, impalas, and giraffes, as we may see on this afternoon’s game drive.

Day 5: Amboseli Early this morning we visit a nearby Maasai village. Later, game drive and time for relaxing at our lodge in the foothills of Kilimanjaro beneath a canopy of feathered acacia trees.

Day 6: Amboseli/Lake Manyara We travel today to peaceful Lake Manyara National Park, one of Tanzania’s smallest and most diverse parks. Bordered by the dramatic Western Escarpment of the Great Rift Valley, Lake Manyara is notable for its abundant birdlife, dense vegetation, tree-climbing lions, plants, animals, and hippos. We hope to see much of the park’s diversity on our afternoon game drive.

Day 7: Lake Manyara/Ngorongoro Conservation Area This morning we enjoy a second game drive at Lake Manyara then set off for Ngorongoro, a UNESCO Conservation Area, International Biosphere Reserve, and site of Ngorongoro Crater, the world’s largest intact volcanic caldera. On the crater’s floor is Tanzania’s largest area of land under one roof. Today we will see thousands of elephants, rhinos, antelopes, gazelles, and a variety of other plains game. We will also connect with our flights home.

Day 9: Ngorongoro Crater On our morning tour of the 10th square-mile crater we have the only chance to see all of Africa’s “Big Five” – elephant, buffalo, rhino, lion, and leopard – in one place.

Day 10: Ngorongoro/Serengeti National Park We’ve braved this morning for the Serengeti, the Masai’s 5,700-square-mile “endless plains” considered Africa’s finest park and one of the world’s largest wildlife refuges. In the afternoon we drive to the world’s largest elephant population.

Place the African elephant into its natural habitat, and in the shadows of the study the evolution.

Day 11: Serengeti/Masai Mara We leave Tanzania today, crossing into Kenya and continuing on to Masai Mara by air. This gourmet game reserve, rich with animal life, the Mara is the traditional homeland of the naive Masai people. Known especially for the annual migration that sees some two million wildebeest, thousands of zebras and antelopes, thousands of other plains game migrate here from the Serengeti.

Day 12: Masai Mara We spend today “on safari,” venturing out on early morning and late afternoon game drives during prime viewing hours.

Day 13: Masai Mara Again today we’re “on safari,” with morning and afternoon game drives in this reserve that is just slightly larger than the state of Rhode Island.

Day 14: Masai Mara/Nairobi Today we re-enter the urban world as we fly from the Mara back to Nairobi. Tonight we toast our safari adventure at a farewell dinner.

Day 15: Nairobi/Depart for U.S. After a morning at leisure, we transfer to the Nairobi airport and board our connecting flight to the U.S. B.L.D.

Day 16: Arrive U.S. We reach the U.S. today and connect with our flights home.

Day 1: Depart U.S. for Lima, Peru. *We depart today for the Peruvian capital. Upon arrival transfer to our hotel.

Day 2: Lima. *We meet our Odysseys Unlimited Tour Director and fellow travelers at this morning's briefing about the journey ahead, then embark on a tour of colonial Lima. A highlight of our visit is to the treasure Casa Aliaga, one of the oldest homes in Lima circa 1531, with a rich architectural heritage and a collection of Peruvian art and artifacts. Given the land by his friend conquistador Francisco Pizarro, Jeronimo de Aliaga, one of Lima’s founders, built the house that has been continuously occupied by his descendants ever since, some 18 generations. Next we tour the Larco Herrera Museum, whose ceramics collection (including a renowned set of erotic pre-Columbian figures) is unparalleled. We enjoy a welcome lunch at our hotel; dinner tonight is at our own leisure.

Day 3: Lima/Cusco/Sacred Valley. *This morning we transfer to the airport for the flight to Cusco. Upon arrival we visit the sacred sites of Koricancha and Santo Domingo then continue on to the beautiful Sacred Valley, a region of Inca sites and indigenous villages. We stop at the colorful Indian market at Pisac before reaching our hotel mid-afternoon.

Day 4: Sacred Valley. *This morning we attend a native ceremony, “Offering to the Earth,” then set out for Ollantaytambo, a living town and site of massive Incan ruins dating to the 15th century that still inspire wonder today. After touring here we continue to the Incan fortress town of Chinchero, set on a hilltop plateau perched over by a sunken mountain. Here locals live much as their ancestors did, weaving traditional clothing and conducting business and local government by time-honored means. They also weave as their ancestors did, so we see at a demonstration of this traditional craft. Later afternoon we return to our hotel, where we dine tonight.

Day 5: Sacred Valley/Machu Picchu/Aguas Calientes. *Early this morning we board a train for the 1½-hour journey to Aguas Calientes, where after lunch we board a bus for Machu Picchu and our first guided visit of the stunning “Lost City of the Incas,” thanks to its small size, our group will move smoothly through the ruins and have the leisure to absorb the beauty and mystery of this stunning UNESCO World Heritage site. Mid-afternoon we return to Aguas Calientes and our hotel, with time at leisure before dinner together tonight.

Day 6: Machu Picchu/Cusco. *This morning before the crowds of day trippers arrive, we take our second guided tour of Machu Picchu, when the morning sun is on the horizon, evocatively light. After lunch in Aguas Calientes, we return to Cusco, arriving early evening. Dinner tonight is on our own.

Day 7: Cuzco. *After a morning at leisure, we set out on a tour of the archaeological hub of the Americas, the continent’s oldest continuously inhabited city, and UNESCO World Heritage site. Dynamic and historic, Cuzco is rich with the legacies of its Inca and Spanish forebears. We stop at the ruins of Sacsayhuaman, an Incan masterpiece, then lunch at the home of a grade school Lauryn Phifer.

Day 8: Cuzco/Puno. *This morning we depart for the day-long journey by coach to Puno, on the shores of Lake Titicaca. After driving through the rugged unspoiled countryside dotted with small villages and huts of llamas and alpacas, we make several stops along the way, beginning with the picturesque Andahuaylillas, an attractive village known for its lively 17th-century church. We continue on to the ruins of Raqchi, once the holiest site in the Inca empire, and La Raya, perched on Peru’s highest mountain pass and home to a World Heritage site, the Alpaca Research Center. We reach our hotel on the shores of the Erneus Island on Lake Titicaca this afternoon; it’s a short distance to the center of Puno from our hotel. Dinner tonight is on our own.

Day 9: Puno/Lake Titicaca. *We spend the day exploring the Lake Titicaca region, South America’s largest lake and at 12,500 feet above sea level, among the world’s highest navigable bodies of water, the air is clearer, the colors sharper, and the horizon further. By boat we visit the floating islands of Los Uros, where the top-hatted Uros people live on “islands” made of the reeds that grow in the lake’s shallows; in fact, the Uros rely on these for their homes, the boats in which they live, household items, and the handicrafts they sell to tourists. We also visit Islas Taquile, known for the high-quality textiles crafted by the indigenous people who live here; sales of their textiles support the self-sustaining Taquilenos. On our visit, we see the men in their signature woolen caps with floppy earpieces, and women in tailored waistcoats and multi-layered skirts. We also witness the breathtaking natural beauty surrounding us, with Bolivia’s snowcapped Cordillera range a striking backdrop to the deep blue of Lake Titicaca. Tonight we celebrate our Peruvent adventure at a farewell dinner at our hotel.

Day 10: Puno/Lima/Depart for U.S. *This morning we visit the mysterious Incan tombs (called yupana) of Sillustani overlooking Lake Umayo. After lunch we transfer to the airport for the flight to Lima. Here we have time to rest and relax in our final days at an airport hotel. Late this evening we depart on our flight to the U.S. R.I.J.

The Canadian Maritimes

12 days for $5,397 total price from Seattle
($529 air & land inclusive plus $102 airline taxes and fees)

Nova Scotia, New Brunswick, and Prince Edward Island make for a scenic and history-infused journey. We explore fishing villages and port cities, French fortifications and colonial British settlements, and travel to included Prince Edward Island and rugged Cape Breton on this classic route.

Visit us at UWalum.com/tours

Day 1: Arrive Halifax, Nova Scotia. We arrive today in Halifax, capital of the Canadian province of Nova Scotia and a bustling center of commerce and shipping. As guests’ arrival times may vary greatly, we have no group activities or meals planned for today.

Day 2: Halifax/Lunenburg/South Shore. This morning we begin our exploration of Canada’s maritime provinces with a scenic and comprehensive drive along Nova Scotia’s South Shore. Once the domain of prize-winning pirates, the region is now home to quaint picturesque fishing villages. We set out early for Peggy’s Cove, a tiny hamlet along the eastern shore of St. Margaret’s Bay. Our destination: Peggy’s Point Lighthouse, one of Canada’s most photographed landmarks and where we enjoy breakfast overlooking the red-and-white-beacon perched on a granite outcropping. Then we continue on the coastal road to Lunenburg, a UNESCO site. Settled by the British in 1753, this historic town represents Canada’s finest surviving example of a planned British town. We take a walking tour of this colorful harbor town before we have lunch on our own.

Day 3: Halifax/Saint John, New Brunswick. Today we travel to the scenic Annapolis Valley, a network of farms, fields, and forests lying between two mountain ranges in Nova Scotia’s northwest. We stop for a tour at Tangled Garden, where we learn how the workers use the fresh fruit and aromatic herbs cultivated here to create a wide range of preserves, jellies, mustards, and liqueurs. After sampling a few of the gardener’s wares, we visit nearby Grand-Pre National Historic Site, dedicated to the memory of the area’s original French Acadian settlers. Then we travel to the coastal village of Digby, the “Scallop Capital of the World,” where one of the options for lunch will include this Maritime delicacy. Late this afternoon we board a ferry and cross the Bay of Fundy to Saint John, where dinner tonight is on our own.

Day 4: Saint John/St. Andrews. This morning we embark on a panaoramic tour of Saint John, the first incorporated city in present-day Canada. We gain an appreciation for the city’s history as we drive along King Street, the steepest main street in Canada, and pause by landmarks including the Loyalist House, one of Saint John’s finest homes, Hilton Carleton Mariposa Tower, the fortification that ranks as Saint John’s oldest building, and the Old City Market, Canada’s longest-running farmer’s market. Then we make our way down the coast to Saint Andrews-by-the-Sea. From here, we embark on a whale watching cruise in the Bay of Fundy, where we’re on the lookout for the bay’s 12 species of whales (including humpback, minke, and finback).

Day 5: Saint John/Shediac. We travel today to the heart of the Bay of Fundy to Shediac, known for having the world’s highest tides. Formed over the millennia as the scuncate sandstone cliffs were slowly worn away by a combination of wind, wave action, and tidal surge, and tide, these “Flowerpot Rocks” range from 40 to 70 feet tall. We spend time here to make sure the formation, then continue on to Shediac, the “Lobster Capital of the World.” Here we enjoy an authentic lobster dinner on board a working lobster boat and learn about the lobsters’ role in the region’s economy. B, L, D

Day 6: Shediac/Charlottetown, Prince Edward Island. This morning we cross the 81-mile long Confederation Bridge connecting mainland Canada to Prince Edward Island (PEI). Many PEI residents trace their lineage back to the area’s first French and English settlers, and we learn about this rich historical tradition at our first stop on the island: Village Millennial Academy, which hosts cultural events, small town style, and community theater. We continue on to our PEI capital, Charlottetown. Tonight we enjoy dinner to celebrate our Maritimes adventure.

Day 7: Prince Edward Island. After a morning at leisure in Charlottetown, early this afternoon we travel to the island’s scenic North Shore, where we admire the red cliffs, white-sand beaches, gently sloping dunes, and grand fields of Prince Edward Island National Park. Along our drive we stop to tour the Anne of Green Gables Heritage Site, where we take a self-guided walk through the 18-year-old dairymaid at Green Gables, and then we take a bread-making class at Anne of Green Gables’ Brookfarm. We then make a brief stop at the Green Gables Heritage Place, and the nearby Anne of Green Gables Museum. Then we make our way to “B黄昏-by-the-Sea,” the opulent and beautiful Queen Anne Revival-style hotel.

Day 8: Charlottetown/Sydney, Cape Breton Island. This morning we board a ferry for the ferry trip to the mainland then travel to Cape Breton Island, one of Canada’s most beautiful spots. Our first stop is Baddeck, set on the shores of Bras d’Or Lake, where we tour Alexander Graham Bell National Historic Site, a museum complex featuring the actual models and documents related to the creation of the first successful flying machine ever created at his home nearby. Then we continue on to our hotel in Sydney.

Day 9: Sydney/Cabot Trail. It’s a day of outstanding scenery as we drive the world-famous Cabot Trail. This 181-mile route loops around the northern tip of Cape Breton Island, passing through the rugged and beautiful Cape Breton Highlands National Park. Here, steep cliffs cradle the craggy, surf-carved rocky ledges, and mountainous scenery covered in deep green pines provide stunning photo opportunities. As we pass through this magnificent landscape, we make ample stops to absorb the grandeur of our surroundings. B, L, D

Day 10: Sydney/Louisbourg. Today we visit the Fortress of Louisbourg National Historic Site, the reconstructed fortress that is now a living history museum. We then return to Sydney, where we have free time to explore as we wish. We enjoy dinner tonight at a local restaurant. B, D

Day 11: Sydney/Charlottetown, Prince Edward Island. For the way back to Halifax today, we stop for lunch at the Mass- menter Inn before we drive to the picturesque and fisherman popular with locals. We have some free time upon our return to Halifax before we gather tonight for a farewell dinner to toast our memorable trip. This dinner is included at the Heritage Inn.

Day 12: Depart Nova Scotia. We transfer to the Halifax airport today for our flights home. B

Pre-Departure

After reserving your tour, you will receive pre-departure mailings that include a detailed itinerary, visa requirements, and reading list. We will send your final tour documents, including airline itineraries (with e-ticket numbers) two to three weeks before departure.

Single Travelers

We welcome single travelers, and offer a limited number of single accommodations on each tour. Because hotel and cruise rates are priced by the room or cabin, the per person cost for accommodations occupied by one person is higher than that shared by two people. We will endeavor to keep single supplements at a reasonable cost. Please note that single rooms in many foreign hotels may be smaller than those to which you are accustomed.

Changes to Your Reservation

We will not charge a fee for any changes made to your reservation outside of 95 days before departure. From 94 to 30 days before departure, if you make any changes to your reservation, a $100 per person administrative fee will apply, in addition to any fees or penalties imposed by airlines, hotels, or other third parties. Changes are subject to availability and cannot be guaranteed. If your reservation changes from double occupancy to single occupancy for any reason or at any time, you will be charged the single supplement.

Please note that no changes to your reservation can be made within 30 days of departure.

Required Information

Upon reservation, we will need to obtain from you the following, in accordance with the Transportation Security Administration’s (TSA) Secure Flight program (for details, please visit www.tsa.gov), as well as for our travel partners: for international tours – your full name as it appears on your passport, date of birth, and gender; for domestic tours – your full name as it appears on your passport, date of birth, and gender. In addition, airlines may require that we provide them with your contact information prior to departure. In the event an airline ticket is issued with incorrect information you have provided, or if you use a different passport (international tours) or other form of government-issued photo identification (domestic tours) than originally cited, you will be responsible for charges associated with the ticket’s reissue.

Travel Documents

A passport valid for at least six months after the completion of your tour is required for U.S. citizens on all international tours in this catalog. If your tour requires a visa(s), we strongly recommend that you have at least six blank visa pages available; for tours not requiring a visa(s), we recommend that your passport have at least three blank visa pages. We will send you specific visa and entry requirements after you make a reservation. You are responsible for obtaining these documents. If you are not a U.S. citizen, please contact your embassy or consulate to ensure you obtain the proper documentation.

Smoking

For the convenience of the majority of our travelers, Odysseys Unlimited, Inc. has a No Smoking policy (including e-cigarettes and vaping) on all tour buses. We will arrange sufficient rest stops so those who wish to smoke may do so.
Health and Medical Issues

We welcome all travelers, but request that you be in good health to participate in an Odysseys Unlimited, Inc. tour. All of our tours involve a reasonable amount of walking (typically two to three miles per day), often uphill or on uneven or cobblestone streets. **You must be able to get on and off motorcoaches and boats on your own.** We regret that we cannot provide individual assistance if you require the use of a wheelchair or have other personal needs; in such cases you must be accompanied by a companion who will assist you. Please note that a number of our itineraries cannot accommodate wheelchairs. Odysseys Unlimited, Inc. and the University of Washington Alumni Association (UWAA) reserve the right to remove anyone whose physical condition or behavior, in our opinion, compromises the operation of the tour or detracts from the enjoyment or safety of the other tour members. In that event, UWAA and Odysseys Unlimited, Inc. assume no financial responsibility for any unused portion of the tour. In addition, Odysseys Unlimited, Inc. and UWAA reserve the right to decline to accept the trip application of any prospective traveler who, in the opinion of Odyssey Unlimited, Inc. or UWAA, is incapable of successfully completing the trip. While we do our best to accommodate food allergy concerns, we cannot guarantee zero cross-contamination.

Air Transportation

Odysseys Unlimited, Inc. includes in its tour price round trip economy air from designated gateway cities as shown and contracts with those airlines they feel provide the level of service, routings, and value necessary for your entire trip. While another airline may offer more direct service, it may be at a price unavailable at the lower group rates that enable us to offer you the best possible travel value. You will receive your preliminary air schedule approximately 2½ months prior to departure. **Please note that seat assignments on your flight are usually done at airport check-in.** Odysseys Unlimited, Inc. is unable to guarantee any seat assignments. Due to the nature of tour operator tickets, other restrictions apply, including but not limited to, frequent flyer mileage accrual, stopovers, alternate travel dates, upgrades, and airline taxes and fees. If you prefer to make your own travel arrangements, Land Only is available on most tours. Since international and domestic air schedules are subject to change at any time, we recommend that if you choose to make your own airline reservations, you do not purchase non-refundable tickets or those with high penalties for changes. In addition, we recommend that you not purchase your tickets until final payment is due. If you choose to make your own air arrangements, Odysseys Unlimited, Inc. and the UWAA will incur no liability for any loss resulting from cancellation of this tour or changes therein. In any event, neither Odysseys Unlimited, Inc., nor the UWAA is responsible for losses, direct or indirect, or missed components of a trip which result from air delays, cancellations, rerouting or any other air-related problem.

Responsibility

The liability of Odysseys Unlimited, Inc., as tour operator, is strictly limited. Odysseys Unlimited, Inc. purchases transportation, hotel accommodations, restaurant and other services from independent suppliers not under its control. It serves only as an agent for these suppliers in securing tour arrangements, and therefore will not accept responsibility for wrongful, negligent, or arbitrary acts or omissions of these independent contractors, their employees, agents, servants or representatives. Odysseys Unlimited, Inc. is not liable for injury, damage, loss, accident, or delay that may be caused by events not within its control, including without limitation, acts of terrorism, war, strikes, the defect of any vehicle, or the negligence or default of any third party. All coupons, receipts, and tickets issued are subject to the terms and conditions specified by the air carriers, cruise line, and other independent suppliers. Odysseys Unlimited, Inc. will make every effort to operate our tours as planned, but we reserve the right to make itinerary changes as necessary. If unforeseen circumstances require us to change a hotel, we will select alternative accommodations of the same or better quality. Cruise itineraries may change due to factors such as government regulations, water levels, or weather conditions. See also the UWAA’s Release of Liability, Assumption of All Risk and Binding Arbitration Agreement form which you have to sign as a condition of your going on this trip. This form is sent to all participants upon placing a tour deposit and needs to be returned within 30 days after receipt or at least 60 days before the beginning of the trip, whichever is sooner.
