These required measures will help prevent the spread of COVID-19 and keep UW employees and visitors safe and healthy.

- **Get vaccinated.** even if you’ve had COVID-19.
- **Face coverings are required** regardless of vaccination status.
- **Take precautions with sick personnel:** Anyone who is sick must stay home.
- **Physical distancing recommended for unvaccinated individuals:** Keep 6 ft. of distance between each person when possible.
- **Encourage good hygiene:** Employees must be able to wash hands with soap and water or hand sanitizer.
- **Clean & disinfect:** Work areas and high-touch surfaces must be cleaned and disinfected regularly.

** Reporting & response:** Notify [covidhc@uw.edu](mailto:covidhc@uw.edu) or **206-616-3344** when an individual in the workplace has suspected or confirmed COVID-19.

**Communicate safety information:** Provide training when employees return to work, as well as weekly updates, on preventing the spread of COVID-19.
