These required measures will help prevent the spread of COVID-19 and keep UW employees and visitors safe and healthy.

Get vaccinated, even if you’ve had COVID-19.

Face coverings are required for unvaccinated individuals.

Take precautions with sick personnel: If you are sick, you must stay home.

Physical distancing recommended for unvaccinated individuals: Keep 6 ft. of distance between each person when possible.

Encourage good hygiene: Employees must be able to wash hands with soap and water or hand sanitizer.

Clean & disinfect: Work areas and high-touch surfaces must be cleaned and disinfected regularly.

Reporting & response: Notify covidhec@uw.edu or 206-616-3344 when an individual in the workplace has suspected or confirmed COVID-19.

Communicate safety information: Provide training when employees return to work, as well as weekly updates, on preventing the spread of COVID-19.
