

Villa del Mar Beach Resort & Spa, Puerto Vallarta

Villa del Mar sits on the soft sands of the famous Banderas Bay, right next to Villa del Palmar Vallarta in the Hotel District between Marina Vallarta and downtown Puerto Vallarta.

Here you will find the true essence of Mexico still thrives through cobble stone streets, lush, tropical gardens, and a golden coast shimmering under warm sunlight. It is ideal for a relaxing stroll while you enjoy the beautiful Pacific sunset.

Designed for both families and couples seeking a peaceful environment, the resort features a Spanish Colonial courtyard that opens to expansive grounds with flowering gardens, lawns and towering palm trees. A quiet and soothing pool completes the main gardens of the resort.
