CAST LIPS

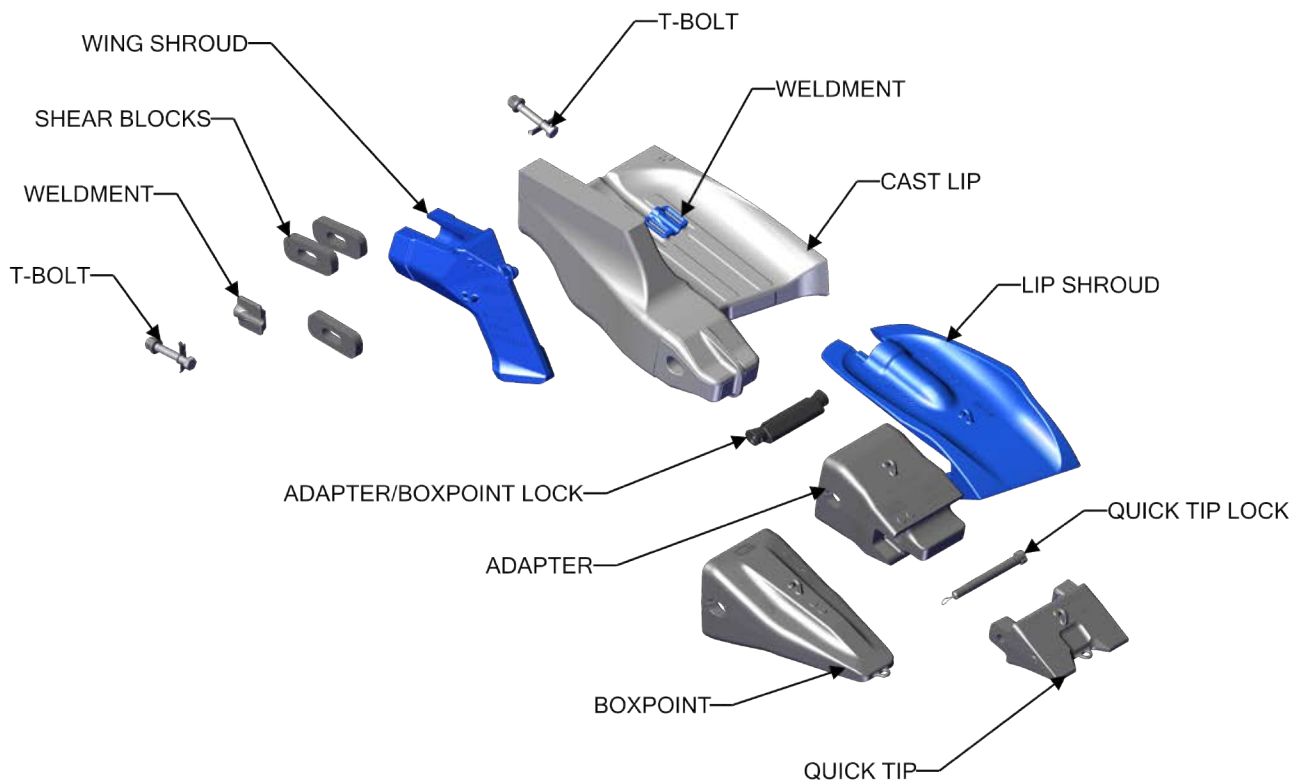

CAST LIPS

Since 2002, our cast lips continue to set new industry standards. Designed in Australia and manufactured globally, our cast lips are designed with superior productivity features that deliver improved performance in commodities around the world.

We have the widest range of cast lip systems available. From 200 tonne to ultra-class machines or mining class wheel loaders and dippers, our technology excellence ensures more productivity hours than any other cast lip system on the market, no matter what commodity or mining challenge you face.

Whether you are targeting increased productivity, better utilisation, efficient cycle times or optimised fill factors, with our expert advice and service options, you can be sure our cast lip system is the right choice.

For more information on our cast lip range, visit http://www.cqmsrazer.com/product_category/cast-lip-system/
