STUDENT FUNDRAISER

Our mission is to inspire individuals to become global citizens by taking an active interest in the world around them. We specialize in programs for students that focus on language immersion, cultural exploration, meaningful community service, and conservation. In order to help offset the tuition for participants, we have created a unique fundraising opportunity. By purchasing coffee, you are directly helping fund educational, inspirational and life-changing experiences for this student

QUICK FACTS

- There is currently one item for purchase in our fundraiser: Fair trade whole bean coffee.
- The price of the coffee is \$20 per 12oz bag of whole bean coffee. For each \$20 bag sold, \$10 goes to supporting Pablo's coffee farmers and \$10 goes towards the traveler's tuition.

• The Walking Tree Blend is our exclusive and carefully crafted blend of Smithsonian Bird Friendly® coffees sourced from small family-owned farms throughout our host countries. Carrying the Smithsonian Bird Friendly® seal, this coffee is 100% organic and shade-grown coffee certified. It's great for birds, and for people!

- The order form is solely for the student to keep track of their orders. Please fill in as many details about the buyers as possible, for this will help with ease of distributing when coffee is delivered.
- Although this purchase is not tax deductible, supporters will be helping a valuable cause.
- Purchased items will be delivered directly to the traveling participants, who will deliver them to each supporter.
