

Global Sustainability Activities: Post-Program

Activity 7: Mapping Out Your Changes

What's on your plate?

Are you making any changes to your diet? What kind of effect do you think that will have on your carbon footprint?

The Story of Stuff

What changes can you make to lower the impact of your buying?

The Environmental Debate

How will you continue to have constructive conversations about the environment, human impact on the world, and other issues that you're passionate about with others?
