

Choosing Photos for Your Success Story

Scenario 1:

This program has been working on improving the physical activity environment in a local neighborhood. Working with the city government, a new play area was put in at the nearby park, and family activity events have been put together to encourage usage of the park, as well as other group physical activities in the neighborhood.

Success Stories Training – Document Your Success in PEARS

Scenario 2:

SNAP-Ed and Food Bank staff (along with a couple of volunteers) spent a weekend putting together garden beds on site at the food bank. All the produce grown in these gardens will be made available to clients at the food bank.
