#### COMMUNICATIONS

Incident Objective 6: Keep the public, stakeholders, and the media informed of response activities

The Whatcom Unified Command **Joint Information Center (JIC)** updates and maintains the Whatcom COVID-19 website as the central repository for the most up to date information regarding COVID-19 for Whatcom County residents. Updates are continually made to report on current health data, government recommendations and orders, and media coverage. All information has been verified to come from reputable sources. The JIC coordinates with partner agencies throughout the State to maintain consistency when reporting information.

#### **Upcoming and Continuing JIC Priorities**

- Continue with <u>mask messaging and information</u>.
- Communicate about Phase 2 and Safe Start.
- Communicate about flu vaccines.
- Communicate about upcoming holidays.
- Help set expectations for progression of phased reopening.
- Continue to prioritize messaging based on current Incident Objectives.
- Work to distribute communication materials for community groups.
- Increase messaging for Spanish-speakers.
- Increase messaging for young adults including via social marketing.
- Communicate about testing access.
- Increase outreach to faith-based communities.
- Support WUC partnership work, including Border Task Force, small city Mayor's meetings, etc.

#### WHATCOM UNIFIED COMMAND INFORMATION

#### **INCIDENT OBJECTIVES: Operational Period 21**

- 1. Anticipate and develop plans to address additional waves of COVID-19 infections.
- 2. Prevent and mitigate the spread of COVID-19.
- 3. Provide for the most vulnerable members of the community.
- 4. Ensure adequacy of First Responder/Healthcare personnel and equipment/supplies.
- 5. Support maintenance of Phase 2 status for Whatcom County.
- 6. Keep the public, stakeholders, and the media informed of response activities.
- 7. Manage a coordinated interagency response effort that reflects the makeup of Unified Command.

#### **SECTION UPDATES**

#### **LOGISTICS**

- 1. Provide support and supplies to Byron Avenue I/Q facility through utilizing an inventory and monitoring system to streamline ordering of consumable supplies.
- 2. Continue to update sourcing options for PPE and connecting customers directly to distributors on our supply list, when feasible.
- 3. Continue to interact with the State for meeting PPE requirements.
- 4. Support volunteer staffing for ongoing, weekly food distribution efforts.
- 5. Provide resources, support, and volunteer staffing needed for the Whatcom County low barrier COVID-19 mobile testing program.
- 6. Prepare replacement PPE totes for the COVID-19 mobile testing program.
- 7. Research and visit possible facilities and sites to be utilized for outdoor WUC operations during inclement weather near the Ferndale/Blaine area.

#### **OPERATIONS**

- 1. Support Wednesday's scheduled food stocking efforts and provide traffic control support during food distribution operations.
- 2. Continue operations of the Byron Avenue I/Q facility with the admittance of community members needing isolation/quarantine. Currently, two rooms are occupied.
- 3. Refine the operations plan for Whatcom County's low barrier COVID-19 mobile testing program.
- 4. Partnering with the Whatcom County Health Department to support the mobile COVID-19 testing program.

#### **PLANNING**

- 1. Continue to coordinate with local and regional healthcare agencies for planning for COVID-19 medical surge and medical isolation/quarantine facilities.
- 2. Review and edit the status report template to be utilized for data updates in the medical surge plan.
- 3. Assist food security community partner agencies in transitioning their food distribution programs to self-supported, sustainable operations.
- 4. Provide feedback on the operations plan submitted for Whatcom County's low barrier COVID-19 mobile testing program.
- 5. Develop inclement weather plans for all outdoor WUC operations and work in tandem with the Joint Information Center on an appropriate communications plan for inclement weather updates.
- 6. Prepare the IAP forms and identify incident objectives for the upcoming operational period.
