#### **COMMUNICATIONS**

Incident Objective 6: Keep the public, stakeholders, and the media informed of response activities

The Whatcom Unified Command **Joint Information Center (JIC)** updates and maintains the Whatcom COVID-19 website as the central repository for the most up to date information regarding COVID-19 for Whatcom County residents. Updates are continually made to report on current health data, government recommendations and orders, and media coverage. All information has been verified to come from reputable sources. The JIC coordinates with partner agencies throughout the State to maintain consistency when reporting information.

#### **SECTION UPDATES**

#### **LOGISTICS**

- 1. Supporting volunteer staffing for ongoing, weekly food distribution efforts.
- 2. Providing resources, support, and volunteer staffing needed for the community low barrier COVID-19 mobile testing program.
- 3. Processing resource requests for consumable supplies for the Byron Avenue I/Q facility.
- 4. Processing resource requests for modification of the Byron Ave I/Q facility fencing and security.
- 5. Researching short-term and long-term options for an inclement weather COVID testing site at Bellingham International Airport Parking Lot B.

#### **OPERATIONS**

- 1. Supporting Thursday's scheduled food distribution operations.
- Continuing operations of the Byron Avenue I/Q facility for community members needing
  isolation/quarantine. Cumulatively, the I/Q facility has provided a total of 843 bed days of service for 106
  community members.
- 3. Refining the operations plan for the community low barrier COVID-19 mobile testing program.
- 4. Continuing to implement the community mobile COVID-19 testing program.
- 5. Identifying and implementing modifications of Byron Ave I/Q facility services to increase efficiency and security measures.
- 6. Continuing daily operations supported by the communicable disease divisions at WCHD for case identification, interviewing, contact tracing, community mitigation, and isolation and quarantine work.

#### **PLANNING**

- 1. Continuing to coordinate with local and regional healthcare agencies for planning for COVID-19 medical surge and medical isolation/quarantine facilities.
- 2. Reviewing and editing the status report template to be utilized for data updates in the medical surge plan.
- 3. Assisting food security community partner agencies in transitioning their food distribution programs to self-supported, sustainable operations.
- 4. Implementing inclement weather plans for all outdoor WUC operations.
- 5. Coordinating combined strategic planning efforts and managing updates to the organizational chart of the merged WUC organization.
- 6. Preparing the Incident Action Plan for the next operational period.
