COMMUNICATIONS

Incident Objective 6: Keep the public, stakeholders, and the media informed of response activities

The Whatcom Unified Command **Joint Information Center (JIC)** updates and maintains the Whatcom COVID-19 website as the central repository for the most up to date information regarding COVID-19 for Whatcom County residents. Updates are continually made to report on current health data, government recommendations and orders, and media coverage. All information has been verified to come from reputable sources. The JIC coordinates with partner agencies throughout the State to maintain consistency when reporting information.

Local Information (Coordinated through the JIC):

- WUC Whatcom COVID-19 website: <https://whatcomcovid.com/>
- Whatcom County Health Department website: <https://www.whatcomcounty.us/covid>

Upcoming and Continuing JIC Priorities

- Communicate about COVID-19 vaccine distribution, allocation, eligibility, and safety.
- Communicate about testing access.
- Continue with messaging around non-pharmaceutical interventions.
- Increase messaging for Spanish speakers.
- Increase messaging for young adults including via social marketing.
- Increase outreach to farming and farmworker communities.
- Increase outreach to faith-based communities.

WHATCOM UNIFIED COMMAND INFORMATION

INCIDENT OBJECTIVES: Operational Period 29

1. Anticipate and develop plans to address additional waves of COVID-19 infections.
2. Prevent and mitigate the spread of COVID-19.
3. Provide for the most vulnerable members of the community.
4. Ensure adequacy of First Responder/Healthcare personnel and equipment/supplies.
5. Support phased recovery approach for Whatcom County.
6. Keep the public, stakeholders, and the media informed of response activities.
7. Manage a coordinated interagency response and recovery effort.

SECTION UPDATES

LOGISTICS

1. Support volunteer staffing needs for ongoing, weekly food distribution efforts.
2. Provide resources, support, and volunteer staffing needed for the community low barrier COVID-19 testing program and outbreak testing team.
3. Manage PPE and other response resource inventories to meet current and anticipated community needs.
4. Coordinate with Operations and Planning on potential need for additional I/Q surge facility.
5. Provide consumables to meet the needs at Byron Avenue I/Q facility.
6. Coordinate with Planning to define the site and staffing needs for community vaccination clinics and identify potential sites.

OPERATIONS

1. Support Monday's scheduled food stocking efforts.
2. Continue operations of the Byron Avenue I/Q facility for community members needing isolation/quarantine. Currently, 9 rooms are occupied. Cumulatively, the I/Q facility has provided a total of 1,966 bed days of service for 228 community members.
3. Continue to implement the community low barrier COVID-19 testing program.
4. Implement process to identify resources to support outbreak assessment and testing in congregate settings.
5. Identify and implement modifications of Byron Ave I/Q facility services to increase efficiency and security measures.
6. Continue daily operations supported by the communicable disease division at WCHD for case identification, interviewing, contact tracing, community mitigation, and isolation and quarantine work.
7. Work in collaboration with North Sound Accountable Community of Health to distribute care and food kits to vulnerable community members.
8. Coordinate with Whatcom County Human Resources to create sustainable plan for transfer of persons to the I/Q facility.
9. Work with the Incident Safety Officer to review safety plans for I/Q facility transportation, outbreak testing, and the community testing program.

PLANNING

1. Continue to monitor Whatcom County's coordinated, collaborative and community approach for COVID-19 medical surge response.
2. Review and update the medical surge status report on an ongoing basis.
3. Coordinate with local and regional healthcare agencies that are able to vaccinate eligible populations as identified by Washington State Department of Health.
4. Coordinate with local and regional partners to plan for vaccination of vulnerable populations.
5. Assist food security community partner agencies in transitioning their food distribution programs to self-supported, sustainable operations.
6. Conduct daily data entry, analysis, and reporting to support and inform Operations.
7. Monitor PeaceHealth St. Joseph Medical Center hospitalization data.
8. Coordinate with Whatcom County Health Department Contract Coordinator on the Request for Qualifications (RFQ) for Isolation/Quarantine facility needs.
9. Coordinate with local partners to expand testing capacity.
