## COMMUNICATIONS

**Incident Objective 6:** Keep the public, stakeholders, and the media informed of response activities.

The Whatcom Unified Command **Joint Information Center (JIC)** updates and maintains the Whatcom COVID-19 website as the central repository for the most up to date information regarding COVID-19 for Whatcom County residents. Updates are continually made to report on current health data, government recommendations and orders, and media coverage. All information has been verified to come from reputable sources. The JIC coordinates with partner agencies throughout the State to maintain consistency when reporting information.

### Local Information (Coordinated through the JIC):

- WUC Whatcom COVID-19 website: <https://whatcomcovid.com/>
- Whatcom County Health Department website: <https://www.whatcomcounty.us/covid>

#### **Upcoming and Continuing JIC Priorities**

- Communicate about COVID-19 vaccine distribution, allocation, and safety.
- Communicate about testing access.
- Continue with messaging around non-pharmaceutical interventions.
- Increase messaging for Spanish speakers.
- Increase messaging for young adults including via social marketing.
- Increase outreach to farming and farmworker communities.
- Increase outreach to faith-based communities.

### **WHATCOM UNIFIED COMMAND INFORMATION**

#### **INCIDENT OBJECTIVES: Operational Period 32**

1. Anticipate and develop plans to address additional waves of COVID-19 infections.
2. Prevent and mitigate the spread of COVID-19.
3. Provide for the most vulnerable members of the community.
4. Ensure adequacy of First Responder/Healthcare personnel and equipment/supplies.
5. Support maintenance of Phase 3 status for Whatcom County.
6. Keep the public, stakeholders, and the media informed of response activities.
7. Manage a coordinated interagency response and recovery effort.

## SECTION UPDATES

### LOGISTICS

1. Support volunteer staffing needs for ongoing, weekly food distribution efforts.
2. Provide resources, support, and volunteer staffing needed for the community low barrier COVID-19 testing program.
3. Provide resources and schedule volunteer staffing to support the outbreak testing team.
4. Manage PPE and other response resource inventories to meet current and anticipated community needs.
5. Distribute PPE to care facilities as requested.
6. Continue to distribute State provided masks to the Hospitality Industry.
7. Provide consumables to meet the needs at the Byron Avenue I/Q facility.
8. Provide resources to meet the needs of the Community Vaccination Center.
9. Schedule volunteers and Medical Reserve Corp to fill the staffing needs of the Community Vaccination Center.

### OPERATIONS

1. Support Tuesday's scheduled food stocking efforts and food distribution programs.
2. Continue operations of the Byron Avenue I/Q facility for community members needing isolation/quarantine. Currently, 3 rooms are occupied. Cumulatively, the I/Q facility has provided a total of 2,607 bed days of service for 283 community members.
3. Continue to implement the community low barrier COVID-19 testing program on a modified schedule at Lynden site and with partners at Bellingham airport site.
4. Mobilize outbreak testing team as needed to support outbreak assessment in congregate settings.
5. Scale up operations for the Community Vaccination Center at Bellingham Technical College (BTC).
6. Mobilize mobile vaccination clinic as needed to vaccinate vulnerable populations.
7. Continue daily operations supported by the communicable disease division at WCHD for case identification, interviewing, contact tracing, community mitigation, and isolation and quarantine work.
8. Work in collaboration with North Sound Accountable Community of Health to distribute care and food kits to vulnerable community members.
9. Work with the Incident Safety Officer to review safety plans for I/Q facility transportation, outbreak testing, mobile vaccination clinic, the community testing program, and the Community Vaccination Center at BTC.

### PLANNING

1. Continue to monitor Whatcom County's coordinated, collaborative and community approach for COVID-19 medical surge response.
2. Review and update the medical surge status report on a bi-weekly basis.
3. Coordinate with local and regional healthcare agencies to offer COVID-19 vaccinations.
4. Coordinate with local and regional partners to plan for vaccination of vulnerable populations.
5. Plan for community vaccination clinics in cooperation with partner agencies.
6. Draft Whatcom County Mass Vaccination Plan to be incorporated into a regional plan in accordance with DOH requirements.
7. Work with enrolled providers seeking FEMA reimbursement for mass vaccination efforts to meet eligibility requirements.
8. Assist food security community partner agencies in transitioning their food distribution programs to self-supported, sustainable operations.
9. Conduct daily data entry, analysis, and reporting to support and inform Operations.
10. Plan for future Isolation and Quarantine Facility needs.
