

The Lord's Supper: God's Continued Gracious Presence

Luke 22:14-23; Psalm 23

I. Jesus offers fellowship with Himself to us in the Lord's Supper, spiritually feeding our bodies and souls.

II. Jesus offers fellowship with each other in the Lord's Supper, united us to each other through our union with Christ.

III. Jesus offers a warning in the Lord's Supper: to take without faith in Jesus or love for the body of Christ doesn't strengthen us, it weakens us.
