

Meeting God

Exodus 19:1-25

- I. Receiving the call to covenant
- II. Recognizing the height of holiness
- III. Realizing the need for a mediator

For Reflection/Application:

What is the Holy Spirit saying to you through today's message?

How can being God's treasured possession change our life?

How can we live out the call to be part of the "kingdom of priests" ?

Give thanks for God's mercy to give us Christ as our mediator.
