

You Must Be Born Again of the Spirit

John 2:23-3:15

In this series on the Holy Spirit, a major focus is on the Spirit's role in our salvation. He clearly helps us to work out our salvation (sanctification), but he is also the one who initiated it (regeneration). The Holy Spirit is the one who graciously grants us a new birth – where we are born again into new creations in Christ.

1. The necessity of the new birth
2. The nature of the new birth
3. The evidence of the new birth
4. The goal of the new birth
