

Celebrate Our Spiritual Family

Ephesians 2:19-22

I. Celebrate the blood of Christ that join us into the family of God

II. Celebrate the Gospel of Christ that calls us onto God's mission

III. Celebrate the body of Christ that inspires us to grow together

For Reflection/Application:

- What is the Holy Spirit saying to you through today's message?
- How will you let the family of God be more than a metaphor to you and help you grow ?
- How will you take action to respond to the call to the mission of God by being in unity with your spiritual family?
