

Working Together through Hardship for Your Joy

2 Corinthians 1:23-2:11

We serve one another to bring joy

We serve one another to show the abundant love of God

We serve one another to forgive and restore

For Reflection/Application:

- What is the Holy Spirit saying to you through today's message?
- Who do you need to forgive to demonstrate the power of the Gospel in your life?
- How does the Lord want you to serve to bring joy to this body of Christ?
- Ask Jesus to help you to team up and serve His people for His incomparable joy.
