

The Light of the Gospel in the Glory of Christ

2 Corinthians 4:1-6

- I. Ministry is a Gift From God
- II. Stewarding this Gift leads us to please God rather than men
- III. The Rejection of the Gospel is the hardening work of Satan, not primarily our inadequate evangelism
- IV. Proclaiming the Gospel means exalting Jesus as Lord and presenting ourselves as mere servants
- V. Our salvation and ministry are supernatural works of God
