

The Mission of Jesus

Luke 2:25-52

I. Deepen your walk with the Father while you wait on Him

Reflection question: How well do you wait? What do you notice stirring in yourself when you are forced to wait?

II. Discern your next step with the help of the Holy Spirit

Reflection question: When faced with decisions, even small ones, who do we tend to turn to first?

III. Declare to all the good news of Jesus

Reflection question: Who in your life needs to hear about Jesus?
