

Walking on Water

Matthew 14:22-33

- The Faith Invitation to Walk on Water

- The Faith Stumble and the Sinking Feeling

- The Faith Exercise to get out of the Boat

For Reflection/Application:

What is the Holy Spirit saying to you through today's message?

What is the faith invitation that is in front of you right now?

What is holding you back from taking the step of faith?

Pray to Jesus and ask Him for the faith and courage to follow

Him out of the boat and experience walking on water with Him.
