

The Lord of Joy

John 2:1-11

In John's Gospel, he recorded seven signs performed by Christ that show us who Jesus is and the kind of life he wants for his followers. Remarkably, for his first sign, Jesus chose to save a dying party by turning water into wine. What signal was he trying to send?

The answer I see in this Scripture passage:

1. What does this sign reveal about Jesus's identity?
2. What does this sign reveal about Jesus's mission?
3. What does this sign mean for us today?
