Pursuing your journey to explore Christ

Supporting friends on their journeys to Christ

For Reflection/Application:

- If you are still a seeker exploring Christ, what next step will you take on your spiritual journey in 2018? How will you pray to Christ to better know Him?
- If you are a believer in Christ, what action will you take to respond to the *Transforming Generations* vision to support a friend on his or her journey to Christ? Pray and ask the Lord to make you a blessing.
