

## **Shirley's Dream**

**I was standing in a room, a small plastic chair slid towards me. I said, "In Jesus name, I rebuke you." The Chair slid back away from me, then it slid back toward me, I said, "In Jesus name, I rebuke you." It slid back away from me. The chair slid back toward me, I said, "In Jesus name, I rebuke you." The chair slid back away from me. There was a guy that was standing and watching. He asked what I did. I told him I could do that and he was amazed. I turned around and the chair was there. I said, "Get out of here!"**
