

**PhD Student, Research Assistant**

**Department of Food Science and Human Nutrition &  
Department of Agricultural and Biological Engineering  
University of Illinois at Urbana-Champaign**

Dr. Hao Feng, Professor, seeks a qualified PhD student, to begin fall 2021 or spring 2022, on a major research project supported by the Department of Energy (DOE-AMO). Interested individuals, with BOTH bachelor's and master's degrees in mechanical engineering, chemical engineering, food engineering, and/or related engineering disciplines are encouraged to apply. Knowledge in heat and mass transfer and prior hands-on experience in development of experimental set-up are desirable. The hired individual should be self-motivated, innovative and capable of meeting deadlines.

Interested PhD students are encouraged to apply by sending, as soon as possible, a current CV, sample publication(s) and a short description of research interests to:
