

# Grazin’ with Marty Moose: Teacher Evaluation Tool

**Instructions:** Thank you for the opportunity to work with your students. Your feedback is important to us. Please answer the following questions based on your observations of the students in your classroom during the past school year.

1. Please identify each of the following:

County: \_\_\_\_\_ School: \_\_\_\_\_

Number of Students: \_\_\_\_\_

Location of current school:  Urban  Rural  Suburban

2. Thinking about your students’ behavior, please identify your level of agreement with each of the following statements:

	<i>Strongly Agree</i>	<i>Agree</i>	<i>Disagree</i>	<i>Strongly Disagree</i>	<i>Unsure</i>
<i>Compared to the beginning of the school year, <b>more</b> students <b>now</b> bring fruit and/or veggies as a snack.</i>					
<i>Compared to the beginning of the school year, <b>more</b> students are <b>now more likely</b> to wash hands before handling</i>					
<i>Compared to the beginning of the school year, <b>more</b> students <b>now</b> can identify healthy food choices.</i>					
<i>Compared to the beginning of the school year, <b>more</b> students <b>now</b> are willing to try new foods offered at school.</i>					
<i>Compared to the beginning of the school year, <b>more</b> students <b>now</b> choose fruits and/or veggies in the cafeteria or during classroom parties.</i>					
<i>Compared to the beginning of the school year, <b>more</b> students <b>now</b> choose fruits and/or veggies during classroom parties.</i>					

3. When compared to your behavior at the beginning of the school year, how likely are you to do each of the following now:

	More likely	About the same	Less likely	No outside food allowed in class	Not Applicable
Offer healthy food choices to the students (at parties, snacks, rewards).					
Encourage students to eat breakfast.					
Remind families to bring healthy snacks for school parties.					
Encourage the students to be physically active.					
Make healthier personal food choices.					

4. How many years have you taught school? \_\_\_\_\_

5. How many years have you participated in our SNAP-Ed youth nutrition education program before this year?

- <1 year  
  1-2 years  
  3-4 years  
  5-6 years  
  7-8 years  
  9-10 years  
  >10 years

Please add any explanations or comments about your responses to the questions above.
