

Plan, Shop, Save & Cook Checklist – Entry

Participant ID #: _____

This is not a test and there are no wrong answers. These are questions about ways you plan and fix food.

Circle the response that best describes how you usually do things.					
1) How often do you plan meals ahead of time?	Never	Seldom	Sometimes	Most of the time	Almost always
2) How often do you compare unit prices before buying food?	Never	Seldom	Sometimes	Most of the time	Almost always
3) How often do you run out of food before the end of the month?	Never	Seldom	Sometimes	Most of the time	Almost always
4) How often do you shop with a grocery list?	Never	Seldom	Sometimes	Most of the time	Almost always
5) When deciding what to feed your family, how often do you think about healthy food choices?	Never	Seldom	Sometimes	Most of the time	Almost always
6) How often do you use the "Nutrition Facts" on the food label to make food choices?	Never	Seldom	Sometimes	Most of the time	Almost always
7) How often do you use MyPlate to make food choices?	Never	Seldom	Sometimes	Most of the time	Almost always
