#### Your Blog Entry

The form is titled "post to your blog" and "Your Blog Entry". It contains a "title" field with the text "Hello World" and an "entry" text area with the text "This is my first post.". Below these fields is a section for "include a photo" with a "Browse..." button and the text "No file selected.". A yellow note box contains the following text: "Note: Tribe is a respectful and considerate community. You may not upload photos that portray pornography, obscenity, or sexually explicit conduct, symbolize hatred, or that violate a copyright. See the [Terms of Use](#) and [Code of Conduct](#) to review all restrictions." Below the note box is a "display" section with a checkbox labeled "Only show this post to my friends". At the bottom right is an orange "submit" button. Red arrows point to the "title" field, the "entry" text area, and the "submit" button.

3. Go to your Wordpress Dashboard and click 'Add Account':

The screenshot shows the "Social Accounts" section of the Wordpress Dashboard. At the top are four tabs: "Accounts", "Default Settings", "Submission Log", and "License". Below the tabs is a "Filter accounts:" dropdown menu set to "All". To the right of the dropdown is a blue "Add Account" button. A red arrow points to the "Add Account" button. Below the "Add Account" button is a table with a header row containing the word "Type".
