Default Group Permissions

All Groups

☐ None

☐ Read Only

☒ Read/Write

Allow access to all current and future groups.

Specific Groups

☐ Per Group Permissions

Set group by group permissions for this key

Save Key

Revoke Key

6. Copy userID and a API key:

[Home](#) > [Settings](#) > Feeds/API

Zotero Settings

[Account](#) · [Profile](#) · [C.V.](#) · [Privacy](#) · [Email](#) · [Feeds/API](#) · [Storage](#)

Your userID for use in API calls is :

[Create new private key](#)

Name	Key	Feed	Last Used	Last Used IPs	Edit Key
Demo Key	Sq5				Edit Key

7. Make sure that your privacy allows your posts to be visible by Search Engines:

Go to 'Privacy' settings and make sure that 'Publish entire library' is switched on:

Zotero Settings

[Account](#) · [Profile](#) · [C.V.](#) · [Privacy](#) · [Email](#) · [Feeds/API](#) · [Storage](#)

☒ Publish entire library

This will make all items in your library viewable by anyone visiting zotero.org. Your notes will not be viewable unless you select the option below.

☐ Publish notes

This will make all notes in your library viewable by anyone visiting zotero.org. Be very sure you want to do this.

☐ Hide from search engines

We will tell search engines not to index your zotero.org profile page.

Update Settings

8. Go to your Wordpress Dashboard and click 'Add Account':
