Administered by the State of Nevada (hereinafter "Lead State")

MASTER SERVICE AGREEMENT
SPRINT SOLUTIONS, INC.

Nevada Contract Number: 1907
(hereinafter "Contractor")

And

State of Nevada
(hereinafter "Participating State")

1. Scope/Background: Contractor, on behalf of its affiliated entities providing the products and services, and the Lead State, on behalf of WSCA and the NASPO Cooperative, entered into Master Service Agreement No. 1907 effective April 12, 2012 (the Master Service Agreement and Amendments are collectively, the "Master Service Agreement").

This Participating Addendum (the "Addendum"), dated the date the last party signs ("Effective Date"), covers the WIRELESS SERVICES led by the State of Nevada for use by state agencies and other entities located in the Participating State authorized to utilize this Master Service Agreement. This Addendum is a separate agreement between the Participating State and the Contractor entered into under the terms and conditions of the Master Service Agreement except as modified herein.

2. Participation: Subject to the acknowledgement of the respective State Chief Procurement Official, as confirmed to Contractor by WSCA, unless specifically prohibited by State statute, government agencies, political subdivisions and authorized non-profits are authorized to enter into a Participating Addendum under the Master Service Agreement. Issues of interpretation and eligibility for participation are solely within the authority of the State Chief Procurement Official.

INDIVIDUAL CUSTOMER: Each State agency, political subdivision and authorized non-profit, acting as a Participating Entity, that purchases products/services will be treated as if they were Individual Customers. Except to the extent modified by this Addendum, each agency, political subdivision and authorized non-profit will be responsible to follow the terms and conditions of the Master Service Agreement; and they will have the same rights and responsibilities for their purchases as the Lead State has in the Master Service Agreement. Each agency, political subdivision and authorized non-profit will be responsible for their own charges, fees, and liabilities. Each agency, political subdivision and authorized non-profit will have the same rights to any indemnity or to recover any costs allowed in the contract for their purchases. This "not to exceed" amount is for the Participating State only and does not apply to purchases by other Buyers under this Addendum. The Participating State does not agree to reimburse Contractor for expenses unless otherwise specified in the incorporated attachments. Any intervening end to a biennial appropriation period shall be deemed an automatic renewal (not changing the overall Addendum term) or a termination as the results of legislative appropriation may require.

Termination for Non-appropriation: The continuation of this Addendum beyond the current biennium is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the State Legislature and/or federal sources. The Participating State may terminate this Addendum, and Contractor waives any and all claim(s) for damages for periods after the effective date of termination, effective immediately upon Contractor's receipt of written notice (or any future date specified therein) if for any reason the Contracting Agency's funding from State and/or federal sources is not appropriated or is withdrawn, limited, or impaired.
