The state reserves the right to audit, or have a designated third party audit, applicable records to ensure that the state has been properly invoiced and all management fees have been paid. CONTRACTOR QUALIFICATIONS AND REQUIREMENTS

DES reserves the right to require receipt of proof of compliance with any of the requirements in this section within 10 calendar days from the date of request, and to terminate this contract as a material breach for noncompliance with any requirement of this paragraph. Contractor shall maintain compliance with these requirements throughout the life of this contract.

CONTRACT TERMINATION

a. Material breach

A contractor may be terminated for cause by DES, at the sole discretion of DES, for failing to perform a contractual requirement or for a material breach of any term or condition. Material breach of a term or condition of the contract may include but is not limited to:

- Contractor failure to perform services or deliver materials, supplies, or equipment by the date required or by an alternate date as mutually agreed in a written amendment to the contract;

- Contractor failure to carry out any warranty or fails to perform or comply with any mandatory provision of the contract;
- Contractor becomes insolvent or in an unsound financial condition so as to endanger performance hereunder;
- Contractor becomes the subject of any proceeding under any law relating to bankruptcy, insolvency or reorganization, or relief from creditors and/or debtors that endangers the contractor's proper performance hereunder;
- Appointment of any receiver, trustee, or similar official for contractor or any of the contractor's property and such appointment endangers the contractor's proper performance hereunder;
- A determination that the contractor is in violation of federal, state, or local laws or regulations and that such determination renders the contractor unable to perform any aspect of the contract.

b. Opportunity to cure

In the event that contractor fails to perform a contractual requirement or materially breaches any term or condition, DES may issue a written cure notice. The contractor may have a period of time in which to cure. DES is not required to allow the contractor to cure defects if the opportunity for cure is not feasible as determined solely within the discretion of DES. Time allowed for cure shall not diminish or eliminate contractor's liability for liquidated or other damages, or otherwise affect any other remedies available against contractor under the contract or by law.

If the breach remains after contractor has been provided the opportunity to cure, DES may do any one or more of the following:

- Exercise any remedy provided by law;
- Terminate this contract and any related contracts or portions thereof;
- Procure replacements and impose damages as set forth elsewhere in this contract;
- Impose actual or liquidated damages;
- Suspend or bar contractor from receiving future solicitations or other opportunities;
- Require contractor to reimburse the state for any loss or additional expense incurred as a result of default or failure to satisfactorily perform the terms of the contract.

c. Termination for cause

In the event DES, in its sole discretion, determines that the contractor has failed to comply with the conditions of this contract in a timely manner or is in material breach, DES has the right to suspend or terminate this contract, in part or in whole. DES shall notify the contractor in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days or as otherwise specified by DES, or if such corrective action is deemed by DES to be insufficient, the contract may be terminated. DES reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the contractor from incurring additional obligations of funds during investigation of the alleged breach and pending corrective action by the contractor or a decision by DES to terminate the contract.

In the event of termination, DES shall have the right to procure for all purchasers any replacement materials, supplies, services and/or equipment that are the subject of this

contract on the open market. In addition, the contractor shall be liable for damages as authorized by law including, but not limited to, any price difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

If it is determined that: (1) the contractor was not in material breach; or (2) failure to perform was outside of contractor's or its subcontractor's control, fault or negligence, the termination shall be deemed to be a "termination for convenience." The rights and remedies of DES and/or the purchaser provided in this contract are not exclusive and are in addition to any other rights and remedies provided by law.

d. Termination for convenience

Except as otherwise provided in this contract, DES, at the sole discretion of DES, may terminate this contract, in whole or in part by giving 30 calendar days or other appropriate time period written notice beginning on the second day after mailing to the contractor. If this contract is so terminated, purchasers shall be liable only for payment required under this contract for properly authorized services rendered, or materials, supplies and/or equipment delivered to and accepted by the purchaser prior to the effective date of contract termination. Neither DES nor the purchaser shall have any other obligation whatsoever to the contractor for such termination. This Termination for Convenience clause may be invoked by DES when it is in the best interest of the State of Washington.

e. Termination for withdrawal of authority

In the event that DES and/or purchaser's authority to perform any of its duties is withdrawn, reduced, or limited in any way after the commencement of this contract and prior to normal completion, DES may terminate this contract, in whole or in part, by seven calendar days written notice, or other appropriate time period, to contractor.

f. Termination for non-allocation of funds

If funds are not allocated to purchaser(s) to continue this contract in any future period, DES may terminate this contract with seven calendar days written notice, or other appropriate time period, to contractor, or work with contractor to arrive at a mutually acceptable resolution of the situation. Purchaser will not be obligated to pay any further charges for materials, supplies, services and/or equipment including the net remainder of agreed-to consecutive periodic payments remaining unpaid beyond the end of the then-current period. DES and/or purchaser agree to notify contractor in writing of such non-allocation at the earliest possible time.

No penalty shall accrue to the purchaser in the event this section shall be exercised. This section shall not be construed to permit DES to terminate this contract in order to acquire similar materials, supplies, services and/or equipment from a third party.

g. Termination for conflict of interest

DES may terminate this contract by written notice to contractor if it is determined, after due notice and examination, that any party to this contract has violated Chapter 42.52 RCW, Ethics in Public Service, or any other laws regarding ethics in public acquisitions and procurement and performance of contracts. In the event this contract is so terminated, DES and/or purchaser shall be entitled to pursue the same remedies against contractor as it could pursue in the event that the contractor breaches this contract.

h. Termination by mutual agreement

DES and the contractor may terminate this contract in whole or in part, at any time, by mutual agreement.

i. Termination procedure

In addition to the procedures set forth below, if DES terminates this contract, contractor shall follow any procedures DES specifies in the termination notice.

Upon termination of this contract and in addition to any other rights provided in this contract, DES may require the contractor to deliver to the purchaser any property specifically produced or acquired for the performance of such part of this contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The purchaser shall pay to the contractor the agreed upon price, if separately stated, for completed work and service(s) Accepted by the purchaser, and the amount agreed upon by the contractor and the purchaser for (i) completed materials, supplies, services rendered and/or equipment for which no separate price is stated, (ii) partially completed materials, supplies, services rendered and/or equipment, (iii) other materials, supplies, services rendered and/or equipment which are Accepted by the purchaser, and (iv) the protection and preservation of property, unless the termination is for cause, in which case DES and the purchaser shall determine the extent of the liability of the purchaser. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. The purchaser may withhold from any amounts due the contractor such sum as DES and purchaser determine to be necessary to protect the purchaser against potential loss or liability.

The rights and remedies of DES and/or the purchaser provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

After receipt of a termination notice, and except as otherwise expressly directed in writing by DES, the contractor shall:

- Stop all work, order fulfillment, shipments, and deliveries under the contract on the date, and to the extent specified, in the notice;
- Place no further orders or subcontracts for materials, services, supplies, equipment and/or facilities in relation to the contract except as is necessary to complete or fulfill such portion of the contract that is not terminated;
- Complete or fulfill such portion of the contract that is not terminated in compliance with all contractual requirements;
- Assign to the purchaser, in the manner, at the times, and to the extent directed by DES on behalf of the purchaser, all of the rights, title, and interest of the contractor under the orders and subcontracts so terminated, in which case the purchaser has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.
- Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of DES and/or the purchaser to the extent DES and/or the purchaser may require, which approval or ratification shall be final for all the purposes of this clause;

- Transfer title to the purchaser and deliver in the manner, at the times, and to the extent directed by DES on behalf of the purchaser any property which, if the contract had been completed, would have been required to be furnished to the purchaser;
- Take such action as may be necessary, or as DES and/or the purchaser may direct, for the protection and preservation of the property related to this contract which is in the possession of the contractor and in which DES and/or the purchaser has or may acquire an interest.
