AMENDMENT No. 9

Contractor shall submit the following Summary Sales Data and Detailed Sales Data and usage reports to NASPO ValuePoint each quarter.

a. Quarterly Summary Sales Data.

Contractor shall submit quarterly sales reports electronically to NASPO ValuePoint using the NASPO ValuePoint Quarterly Sales/Administrative Fee Reporting Tool found at <http://www.naspo.org/WNCPO/Calculator.aspx>.

Any and all sales made under the Master Price Agreement must be reported as cumulative totals by state. If Contractor experiences zero sales during a calendar quarter, a report is still required. Reports are due no later than 30 days following the end of the quarter.

b. Detailed Sales Data.

Contractor shall develop a custom quarterly report with detailed sales and usage data in coordination with NASPO ValuePoint and DAS PS.

The objective of the detailed report is to provide a comprehensive resource for NASPO ValuePoint and Participating States to search and obtain data on vehicles reserved, travel completed and paid for by Participant's travelers using the Contractors rental vehicles and a state's Participating Addendum.

Contractor agrees to modify the custom report, add or remove data fields from time to time as requested by NASPO ValuePoint with notice to DAS PS.

Reports are due quarterly and must be received by NASPO ValuePoint no later than thirty (30) days after the end of the reporting period. The detailed sales report must be submitted to NASPO ValuePoint no later than 30 days after the end of the first quarter following execution of this Amendment 9 and then every quarter thereafter

Contractor shall upload the quarterly report to an FTP site 30 days after the end of the first quarter following execution of this Amendment until the NASPO ValuePoint Binary Fountain is complete and rolled out. The Binary Fountain is a third party reporting vendor; collecting and analyzing all NASPO ValuePoint detailed sales reporting. c. Quarterly Executive Summary.

Contractor shall provide the assigned NASPO ValuePoint Cooperative Development Coordinator with an executive summary each quarter that includes, at a minimum, a

- i. list of states with an active Participating Addendum,
- ii. states that Contractor is in PA negotiations with and

NASPO ValuePoint and Contractor will determine the format and content of the executive summary during development. The first executive summary is due 30 days after the end of the first quarter following execution of this Amendment 9 and then every quarter thereafter.

4.2.2 Reports to Oregon. - ~~_____ Date of rental~~
- ~~_____ Length of rental~~
- ~~_____ Miles driven on vehicle~~
- ~~_____ Unit price (rental rate) and extended total]~~

Contractor shall use the report template (Excel spreadsheet) provided by DAS PS. The report must include all detailed sales data and usage by Oregon drivers on government business. Reports must be submitted electronically to the DAS PS Contract Contact Person and Fiscal Analyst at vcaf.reporting@oregon.gov and any other designees as may be required by DAS PS.

Contractor shall compute the Total Dollar Amount for Quarter. Contractor is not obligated to report or pay VCAF for sales of fuel or other Goods and Services.

4.2.3 Reports to Participating States. For vehicle rentals to the Participating State other than Oregon and to other Participants in that Participating State, Contractor shall provide to the Contract Administrator named in the Participating Addendum quarterly reports of all Services sold at base rates for vehicle rental and differentials under the Price Agreement and Participating Addendum. ("Total Dollar Amount for Quarter") **At a minimum,** Contractor shall report for each transaction:

4.2.4 Reportable Sales or Not. Contractor shall submit a Volume Sales Report each quarter to [the] [WSCA]NASPO ValuePoint [Contract Administrator] for Participating States sales and usage and a report to the DAS PS [SPO] Contract Contact Person for Oregon sales and usage, whether or not there are reportable sales of Services. Participating State may specify in its Participating Addendum whether or not it requires a report in a quarter with no reportable sales. The report must contain complete and accurate details of the Reportable Sales for the quarter just ended and (ii) such other information as Participating State may informally request. "Reportable Sales" means the dollar value of Services delivered at base rate plus daily surcharges charged pursuant to Section 1.16.3. Contractor is not obligated to report or pay administrative fees to [WSCA]NASPO ValuePoint or any Participating State on taxes, assessments, fees, surcharges, or other charges itemized on the invoice which Contractor is required by a third party to collect."

Section 4.6 Administrative Fees is deleted and replaced with the following

4.6 ADMINISTRATIVE FEES. On the sale of Services to Participants, Contractor shall pay administrative fees at the times and in the manner set forth in this Section 4.6. For purposes of this section quarters end March 31, June 30, September 30, and December 31. Administrative payments will be calculated using Volume Sales Reports furnished by Contractor for the most recent quarter. Contractor shall adjust the price accordingly to build in the administrative fee. Contractor shall not reflect or identify any administrative calculation or fee on any billing to a Participant that uses this Master Price Agreement.

4.6.1 NASPO ValuePoint Administrative Fee. The Contractor shall pay a quarterly NASPO ValuePoint administrative fee of 0.5% (0.005) of ALL sales under this Price Agreement on the schedule and using the method in section 4 of Exhibit A. The NASPO ValuePoint administrative fee is not negotiable. Contractor shall remit the NASPO ValuePoint administrative fee in immediately available funds by the method in section 4 of Exhibit A.

In addition to the NASPO ValuePoint administrative fee, some NASPO ValuePoint and non-NASPO ValuePoint member states may require that an additional fee be paid directly to the Participating State on purchases made by procuring entities within that Participating State.

The Oregon administrative fee is established in Section 4.6.2 below. For all other such state requests, the fee level, payment method and schedule for such reports and payments shall be as established in Section 4.6.3 or as otherwise incorporated in a Participating Addendum that is made a part of the Price Agreement.

4.6.2 Oregon Vendor Collected Administrative Fee (VCAF).

After the end of each quarter during the term of this Price Agreement, Contractor shall pay to State of Oregon, Department of Administrative Services (DAS), Procurement Services (DAS PS)

a VCAF, in an amount equal to One Percent (1%) of Contractor's total sales made to Oregon Participants (State, State Agencies, ORCPP, other Oregon Participants) using this Price Agreement during the preceding quarter. Contractor is responsible for timely reporting and payment, regardless if entity that actually reports or makes VCAF payment to DAS PS.

This fee is in addition to the NASPO ValuePoint Administrative Fee in Section 4.6.1 above.

4.6.2.1 Payment of VCAF.

Failure to submit the Volume Sales Report to Oregon does not release Contractor from the requirement to timely remit required VCAF.

a. VCAF payments to Oregon are to be effected by way of Automated Clearing House (ACH) transactions, a form of electronic transaction known as Electronic Funds Transfer (EFT) authorized for state business and adhered to by the Oregon State Treasury. These payment transactions must occur no later than the forty-fifth (45th) day after the end of a calendar quarter.

b. Upon receipt of the invoice from DAS PS, Contractor shall remit payment for the amount indicated on the invoice.

c. Contractor shall contact DAS PS by email to vcaf.reporting@oregon.gov if no invoice is received within thirty (30) days after Contractor sends its quarterly Volume Sales Report.

4.6.2.2 Interest. Any payments Contractor makes or causes to be made to DAS PS after the due date as indicated on the invoice, shall accrue interest at a rate of 18% per annum or the maximum rate permitted by law, whichever is less, until such overdue amount shall have been paid in full. DAS PS right to interest on late payments shall not preclude DAS PS from exercising any of its other rights or remedies pursuant to this Price Agreement or otherwise with regards to Contractor's failure to make timely remittances.

4.6.3 Participating State Administrative Rebate.

Except as otherwise agreed by a Participating State and Contractor, Section 4.6.2 of this Exhibit A is incorporated by reference into any Participating Addendum under this Price Agreement. In incorporating Section 4.6.2, "Price Agreement" is deemed to mean "Participating Addendum"; "VCAF" is deemed to mean "Administrative Rebate"; "Oregon Participants" is deemed to mean "Participating State Participants" and "DAS PS" is deemed to mean "Participating State" in all instances unless the context requires otherwise.

Contractor shall remit the Administrative Rebate in the form of a check or EFT as required by the Participating State. The remit to address will be provided by the Participating State entering into an Addendum."
