elements of this vest have been tested and certified by the National Institute of Justice and passed the compliance requirements of NIJ Standard-0101.06 for the level stated on the ballistic label.

These bullet-resistant elements are warranted for five (5) years from date of purchase to be free from manufacturing defects. Upon timely notice, KDH Defense Systems, Inc. will repair or replace any vest where, after examination by KDH Defense Systems, Inc., it is determined that there exists a manufacturing defect. This vest is bullet resistant and will reduce the possibility of serious physical injury to the wearer. When worn, it is warranted to be bullet resistant for the life of the warranty under normal wear conditions and proper maintenance. There should be no expectation of bullet resistance in areas not covered by the ballistic panel. This vest is not warranted to be bulletproof.

Removable Covers: Removable machine washable covers shall be warranted for twenty-four (24) months after the date of purchase, against manufacturing defects. Please see attached KDH standard warranty statement.

Recycling Program

KDH is committed to protecting our environment and sustaining our natural resources. Therefore, it is our policy to properly dispose of any vest that has been damaged, has reached the end of its life cycle, or is no longer needed. Upon request from the customer, our Vest Disposal Coordinator will send instructions for returning the vest to our facility. Upon receipt and disposal the coordinator will then document the disposal and supply documentation to the customer. This also provides beginning to end of life traceability for the serial number. Please see attached KDH Recycling Program.

Delivery

KDH has a standard delivery time of 30 days from receipt of order for quantities less than 200. Under certain circumstances orders can be expedited. KDH has an excellent record of on time delivery with our customers, including the U.S. Army, U.S. Marine Corps, Department of Homeland Security (DHS), and The Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF). KDH will proudly provide references for any of these customers upon request.

Product Offering

KDH offers a robust product line including concealable carriers, tactical carriers, NIJ certified Stab, NIJ certified 0101.06 Level II and IIIA ballistics, as well as, hard and soft trauma plates. We provide an extensive product list that includes the value items required for the WSCA market basket and higher value products as well.

KDH designs and manufactures all carriers, soft armor, and several rifle plates. Our soft armor solutions are tested above and beyond the requirements of NIJ 1010.06. All models are tested to Special Threats, and select models are tested according to the FBI, LAPD, and DHS test protocols. In addition to designing industry leading law enforcement products, KDH is proud to be the designer of the next generation soft ballistic design for the U.S. Army.
