Termination for Cause: The State may terminate this Participating Addendum, State Contract Number 4400006210, or any order issued pursuant to State Contract Number 4400006210 for cause based upon the failure of Contractor to comply with the terms and/or conditions of this Participating Addendum, State Contract Number 4400006210, or any order issued pursuant to State Contract Number 4400006210 provided that the State shall give the Contractor written notice specifying the Contractor's failure. If within thirty (30) days after receipt of such notice, the Contractor shall not have corrected such failure

or, in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct such failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place the Contractor in default and this Participating Addendum, State Contract Number 4400006210, or any order issued pursuant to State Contract Number 4400006210 shall terminate on the date specified in such notice.

Termination for Non-Appropriation of Funds: The continuation of this Participating Addendum, State Contract Number 4400006210, or any order issued pursuant to State Contract Number 4400006210 is contingent upon the continuation of an appropriation of funds by the legislature to fulfill the requirements of this Participating Addendum, State Contract Number 4400006210, or any order issued pursuant to State Contract Number 4400006210. If the legislature fails to appropriate sufficient monies to provide for the continuation of this Participating Addendum, State Contract Number 4400006210, or any order issued pursuant to State Contract Number 4400006210, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act or Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriations for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of this Participating Addendum, State Contract Number 4400006210, or any order issued pursuant to State Contract Number 4400006210; this Participating Addendum, State Contract Number 4400006210, or any order issued pursuant to State Contract Number 4400006210 shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

J. Attachment A, Section 11. Indemnification; Section 12. Indemnification-Intellectual Property; and Section 33. Limitation of Liability, REVISE to read as follows:

INDEMNIFICATION AND LIMITATION OF LIABILITY:

Neither party shall be liable for any delay or failure in performance beyond its control resulting from acts of God or force majeure. The parties shall use reasonable efforts to eliminate or minimize the effect of such events upon performance of their respective duties under this Agreement.

Contractor shall be fully liable for the actions of its agents, employees, partners or subcontractors and shall fully indemnify and hold harmless the State from suits, actions, damages and costs of every name and description relating to personal injury and damage to real or personal tangible property caused by Contractor, its agents, employees, partners or subcontractors in the performance of this contract, without limitation; provided, however, that the Contractor shall not indemnify for that portion of any claim, loss or damage arising hereunder due to the negligent act or failure to act of the State.

Contractor will indemnify, defend and hold the State harmless, *without limitation*, from and against any and all damages, expenses (including reasonable attorneys' fees), claims judgments, liabilities and costs which may be finally assessed against the State in any action for infringement of a United States Letter Patent with respect to the Products, Materials or Services furnished, or of any copyright, trademark, trade secret or intellectual property right, provided that the State shall give the Contractor: (i) prompt written notice of any action, claim or threat of infringement suit, or other suit, (ii) the opportunity to take over, settle or defend such action, claim or suit at Contractor's sole expense, and (iii) assistance in the defense of any such action at the expense of Contractor. Where a dispute or claim arises relative to a real or anticipated infringement, the State may require Contractor, at its sole expense, to submit such information and documentation, including formal patent attorney opinions, as the Commissioner of Administration shall require.

The Contractor shall not be obligated to indemnify that portion of a claim or dispute based upon: (i) State's unauthorized modification or alteration of a Product, Material or Service; (ii) State's use of the Service in combination with other products, materials, or services not furnished by Contractor; (iii) State's use in other than the specified operating conditions and environment.

In addition to the foregoing, if the use of any item(s) or part(s) thereof shall be enjoined for any reason or if Contractor believes that it may be enjoined, Contractor shall have the right, at its own expense and sole discretion as the state's exclusive remedy to take action no later than six (6) months after the issuance of an injunction in the following order of precedence: (i) to procure for the State the right to continue using such item(s) or part(s) thereof, as applicable; (ii) to modify the component so that it becomes non-infringing equipment of at least equal quality and performance; or (iii) to replace said item(s) or part(s) thereof, as applicable, with non-infringing components of at least equal quality and performance, or (iv) if none of the foregoing is commercially reasonable, then provide monetary compensation to the State up to the dollar amount of the Contract. Any injunction that is issued against the State which prevents the State from utilizing the Contractor's product in excess of six (6) months and for which the Contractor has not obtained for the State or provided to the State one of the alternatives set forth in the foregoing sentence is cause for the State to terminate the Contract. In the event of such termination, the State will not be obligated to compensate the Contractor for any costs incurred by the Contractor.

For all other claims against the Contractor where liability is not otherwise set forth in the Agreement as being without limitation, and regardless of the basis on which the claim is made, Contractor's liability for direct damages, shall be the greater of \$100,000, the dollar amount of the Contract, or two (2) times the charges for services rendered by the Contractor under the Contract. Unless otherwise specifically enumerated herein mutually agreed between the parties, neither party shall be liable to the other for special, indirect or consequential damages, including lost data or records (unless the Contractor is required to back-up the data or records as part of the work plan), even if the party has been advised of the possibility of such damages. Neither party shall be liable for lost profits, lost revenue or lost institutional operating savings.

The State may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor, or may proceed against the performance and payment bond, if any, as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them.

ATTACHMENT A – Electronic Vendor Payment Solutions

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and vendors, the State intends to make all payments to vendors electronically. The LaCarte procurement card will be used for purchases of \$5,000 and under, and where feasible, over \$5,000. Vendors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Vendor Payment solution (EVP) or Electronic Funds Transfer (EFT). If you receive an award and do not currently accept the LaCarte card or EVP or have not already enrolled in EFT, you will be asked to comply with this request by choosing one the following three options. You may indicate your acceptance below.

The **LaCarte** Procurement Card uses a Visa card platform. Vendors receive payment from state agencies using the card in the same manner as other Visa card purchases. Vendors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all statewide and agency term contracts:

- Under the LaCarte program, purchase orders are not necessary. Orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.
- If a purchase order is not used, the vendor must keep on file a record of all LaCarte purchases issued against this contract during the contract period. The file must contain the particular item number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Purchasing on request.

EVP method converts check payments to a Visa credit card thereby streamlining payments to your organization. Participants receive a credit card account number with unique security features. This card will have \$0 available funds until an invoice is approved for payment. As payments are approved, electronic remittance notifications are sent via email along with approval to charge the card for that amount. EVP requires no change to current invoice procedures; it is secure, and does not require your bank information.

EFT payments are sent from the State’s bank directly to the payee’s bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information is available at <http://www.doa.louisiana.gov/OSRAP/EFTforWebsite.pdf>. To facilitate this payment process, you will need to complete and return both EFT enrollment forms found at <http://www.doa.louisiana.gov/ERP/pdfs/LaGov%20AP-03%20-%20EFT%20Vendor%20Enrollment%20Form.pdf> and <http://www.doa.louisiana.gov/OSRAP/EFTforWebsite.pdf>

Please check which option you will accept or indicate if you are already enrolled.
