# PRIVACY POLICY

**Introduction** - The website XGAMBLEONLINE.COM (Owned by XGAMBLE HOLDING LTD) has established this policy and is providing it to you so that you can understand the manner in which we use your information and the efforts we use to protect it. We at the XGAMBLE HOLDING are committed to protecting your online privacy.

**Personal Information Collected** - We recognize the need for consumers to control the use and management of personal information. By personal information we mean information that can be used to identify or contact an individual. This includes a first and last name, a physical address, an email address, a phone number, and your credit card information. We may transfer that information within the XGAMBLE HOLDING to employees, to the extent necessary to provide the requested products to you. We do not sell or trade your personal information to unrelated third parties and we do not utilize email marketing.

**Automatic Information Collected** - Please note that the XGAMBLE HOLDING uses various technologies to collect information about types and versions of internet browsers used when accessing our web servers. This information, and information about internet IP addresses, as well as dates and times web pages are visited are stored in various security and traffic logs. We may review these logs, using statistical analysis, in an effort to track and predict traffic patterns and estimate resource needs. Unless we have been asked to identify technical problems or we suspect either fraudulent behavior or illegal conduct we do not trace specific user sessions.

**Supplemental Technologies** - XGAMBLE HOLDING If available, XGAMBLE HOLDING LTD web servers may use cookies, session identifiers, JavaScriptTM and browser detection technology to provide consumers with a more pleasant online experience. Many browsers provide consumers with the ability to disable some or all of these technologies. Disabling these technologies, especially in the case of JavaScriptTM may prevent you from using some web pages.

**Security and Confidentiality** - XGAMBLE HOLDING takes reasonable steps to ensure that your Personal Information is protected. We use industry standard Secure Sockets Layer (SSL) encryption when collecting and transferring your data. Internally, we limit access to Personal Information to those employees who we believe have reasonable need to use the information to provide products to you, or to perform their jobs.

**Third Parties** - We partner with other third parties to provide various services and products. It is against XGAMBLE HOLDING policy to sell or trade Personal Information

collected online. If legally compelled to release Personal Information to a third party, XGAMBLE HOLDING may or may not notify customers of such release. Notification will be at the discretion of XGAMBLE HOLDING and will be based on the nature and conditions surrounding the release of Personal Information.

**Notifications** - When XGAMBLE HOLDING performs a consumer notification, it will be sent to the email address associated with your account. XGAMBLE HOLDING will send the email but we cannot guarantee delivery. You are responsible for providing a valid email address and for updating it as your address changes. XGAMBLE HOLDING may, depending on the importance and urgency of the notification, choose to contact you via telephone or postal mail. When doing so we will use the phone number and/or address associated with your account or transactions.

**Modifications** - Periodically XGAMBLE HOLDING will make changes to this privacy policy. XGAMBLE HOLDING does not make any effort to notify customers of privacy policy changes. You may view the current policy by returning to this web site.

**Consent** - By using XGAMBLE HOLDING website, you consent to the terms of our Privacy Policy. If you do not agree to the terms of this policy, please stop using XGAMBLE HOLDING website immediately.

**Contact** - If you have any questions about this policy or would like additional information, you may email us at Privacy Issues or by postal mail at:

- 2.400.000 Tokens (TRC-20) are distributed for Registration, Referral and Sharing on social platform tasks
- 2.400.000 Tokens (ERC-20) are distributed for KYC task
- Distribution of Airdrop Tokens will occur the following way: **(TRC-20)** 250 Tokens for Registering, 100 Tokens for each valid referral (no KYC needed), 50 Tokens for each social task (After verification). **(ERC-20)** 750 Tokens for each valid KYC.
- Tasks with prize: **Registration**, Referral, Sharing on social platforms, KYC.
- Users will not be allowed to withdrawal the tokens during the Airdrop. Tokens will be released to the public (sent to users) after the Pre-Sale phase is over.
- If during the campaign the Max. Tokens to be distributed has been reached, new users will receive a discount voucher on the token sale (up to one per user).
- If after the campaign there are still tokens left on the balance of tokens to be distributed, these tokens will be included on the reserve balance for further use in other marketing campaigns. Users that are eligible to participate in the Voting system also will have the opportunity to determine what the destination of those tokens might be.
- In order to participate of the Airdrop users have to agree with our terms and conditions.

# TOKEN PRE-SALE

- Duration of the Pre-Sale: Phase 1: 2 Weeks, Phase 2: 2 Weeks, Phase 3: 2 Weeks and Phase 4: 2 Weeks. In total 8 Weeks.

- Max. Tokens to be sold: **48.000.000** (includes ERC-20 + TRC-20 in 50:50 distribution). ERC-20 and TCR-20 Tokens have the same price. The difference will be in the entry purchase value.

- (TRC-20) Minimum purchase value: 10\$

- (ERC-20) Minimum purchase value: 200\$

- **Soft cap: 50.000,00 USD**, Hard cap: 706.000,00 USD.

Pre-sale Phase 1 (2 Weeks max.)

Target max: 40.000\$ = 4.000.000 **tokens** at 0,010 USD.

Pre-sale Phase 2 (2 Weeks max.)

Target max. 96.000\$ = 8.000.000 **tokens** at 0,012 USD.

Pre-sale Phase 3 (2 Weeks max.)

Target max. 196.000\$ = 14.000.000 **tokens** at 0,014 USD.

Pre-sale Phase 4 (2 Weeks max.)

Target max. 374.000\$ = 22.000.000 **tokens** at 0,017 USD.

- For each confirmed purchase made by your direct Referral you will receive 5% in tokens. (*Example: Person 2 buys 10.000 Tokens, Person 1 receive 500 Tokens*). This tokens come from the Referral Wallet (5% of the Max. Supply).

- If during the pre-sale phases the Max. Tokens to be sold has been reached earlier than expected, the launch date of the next steps will be reorganized.

- If after the pre-sale there are still tokens left on the balance of tokens to be sold, these tokens will be included on the reserve balance for further use in other marketing campaigns. Users that are eligible to participate in the Voting system also will have the opportunity to determine what the destination of those tokens might be.

- If during the pre-sale the Soft Cap, is not reached. The funds will be returned to the buyers. For transparency purposes each buyer will have a unique ID and all confirmed purchases will be published on the website.
- If during phase 1,2 or 3 the Max. Target has been reached before the ending of the current phase automatically the next phase will be released.
- If during phase 4 the Max. Target has been reached before the ending of the current phase the pre-sale is over.
- Users will not be allowed to withdrawal the tokens during the Pre-sale. Tokens will be released to the public (sent to users) after the Pre-Sale phase is over and only if the Soft cap has been reached.
- In order to participate of the Pre-Sale users have to agree with our terms and conditions.

# TOKEN RULES

Contract address (ERC-20):

<https://etherscan.io/token/0x7850c33703ffb6412279e0682ba4397d1e289c33>

Max. Supply: 48.000.000 (XGAT)

Contract address (TRC-20):

<https://tronscan.io/#/token20/TTCot9Z73fFj5y9oT518cJkmrfLS734Mji>

Max Supply: 48.000.000 (XGAT)

Our tokens are not mineable.

After the pre-sale you will be able to buy or sell tokens from other users through our **own exchange**. We will decide, depending on market conditions and the continuity of the project if the listing on other exchanges is necessary and helps our business to grow. Of course we will always let our token holders know when and where this is going to happen. This decision will also be available for our voters.

Once the token is sent to a wallet outside of the XGamble Platform we do not have control over it. The user is totally responsible from this point for the private key or anything necessary in order to access these tokens.

Both tokens (XGAT) have the same price.

# STACKING RULES

In order to stack Tokens users will have to be registered on the platform.

In order to stack Tokens users will have to have a minimum of Tokens.

While stacking, is taking place the responsibility of the tokens belongs to XGAMBLE HOLDING LTD.

Users that participate of the stacking have also access to the Financial Report of the company.

Benefits of stacking Tokens on our platform are: Participate of our monthly dividends distribution and being able to vote on different pools\*.

*\*additional conditions may apply.*

# VOTING RULES

In order to participate, user will need to have a minimum of X Tokens.

*\*X number of tokens will still be determined. Additional conditions may apply.*

In order to propose a new voting pool (idea) the user must have a minimum of 1% of the max. Supply.

User will only be able to vote if stacking was done before the proposal.

User will only be able to vote if stacking has a minimum of 30 days.

A voting pool will only be considered valid if a minimum of 51% of the active stacking has voted.

# DIVIDEND RULES

Dividend distribution will start as soon as the first results of operation are coming in. To make it as less expensive as possible we will make this dividend distribution once a month and after our accountability department has revised the balances.

User will only be able to receive dividend if stacking has a minimum of 30 days before the distribution of dividends.

After reception of dividends, User is responsible for any compliance, accountability or taxes involved in the reception of the funds. XGAMBLE HOLDING LTD will provide any information necessary regarding this issue.

User is responsible for providing correct data to XGAMBLE HOLDING LTD in order to process reception of the dividends.

# EXCHANGE RULES

Users will be able to exchange tokens (XGAT) for Balance at our casino with discount\*.

*\*Additional conditions may apply.*

Users will be able to buy/sell tokens (XGAT) in exchange for other cryptocurrencies or even FIAT\*.

*\*Additional conditions may apply.*

# MIGRATION RULES\*

User who was registered at our old website <https://xgamble.io> must register again at our **new website**.

After accepting our terms and conditions, user will receive Tokens (XGAT) in the equivalence of what they had as (Pending balance on Plan + Available Balance).

User is required to check if the Token balance is calculated right. If any errors are found please contact us as soon as possible.

**\*to be determined.**

# FINANCIAL PROJECTIONS

User who sign the confidentiality agreement will have full access to our in depth business plan.

Depending on the total investment acquired during pre-sale, and once the first XGamble Online Casino is running around 30-45% of the capital goes as “working capital” and will be 100% liquid (USD).
