LTEP - Long Term Exchange Program

Long Term RYE Application (select language to download) with Sponsor Guide
The Data Privacy Statement is translated to the language selected for the Sponsor District.
Use guide for filling District-specific information to prepare form for applicants.
Optional further steps show Sponsor Club preparation of form for a club website.
(This current version replaces all previous revisions or updates.)

Student Tips-Completing LT RYE Application (current version)
General information is supplemented with instructions and examples for how the form might be completed under common Sponsor District requirements.

NOTE: Sponsor District instructions may differ from these process descriptions.
Sponsor District instructions take precedence over any suggestions provided here.

Long Term RYE Application (for other Data Privacy translation, if needed)
This is the raw, unprepared UNIVERSAL application form with provision for entry of the Data Privacy Statement using other translation if deemed suitable by the Sponsor District.

SUBFOLDER: RYE LT Application Sections (See next page)
Separate PDF files for each application section: Without page numbers (at bottom of pages)
These files provide individual sections from the application form. The sections are suitable for use in RYE database systems as additional required documents.

Rotary Youth Exchange Application Forms content has been reviewed by representatives of multiple Rotary International regions. These forms are endorsed by Asian Delegates, EEMA (Europe-Eastern Mediterranean-Africa), RYEA (Australia), ABIJ (Brazil, LATIR (Latin America) and NAYEN (North America).
Technical problems or suggestions for improvement may be submitted by E-mail to: forms.rotary@gmail.com.
The above links will continue to provide the latest updates, as corrections or enhancements are released.

SUBFOLDER: RYE LT Application Sections

Separate PDF files for each application section: Without page numbers (at bottom of pages) These files include sections suitable for use by **RYE database systems** as additional required documents.

For districts using database technology and only needing selected sections of the application, the most recent update for any individual section is now shown in the lower left corner of each page.

Most Sections of the Long Term Application Form, including Cover, Pre-application Disclosures and Instructions have been updated. **The major content of the application has not changed since 2021-10-25.** Recent updates include content relocation, corrections and clarifications to instructions or improvements to form behavior during on-screen data entry. (See dates below.)
