

Mito Motile™

Male Wellness Kit

Product Summary

Mito Motile is a comprehensive male reproductive fertility support kit, providing clinically relevant vitamins and minerals, antioxidants and amino acids, essential fatty acids, and critical supportive nutrients for healthy male function. Mitochondrial dysfunction has been linked to increased oxidative damage, which in turn is closely linked with male infertility.^{1,2} Mito Motile has multiple mitochondrial optimizers, including acetyl-L-carnitine, PQQ, and CoQ10, shown to increase pregnancy rates and various parameters of sperm function.^{3,4} It provides potent antioxidants, such as resveratrol, vitamin E, selenium, and N-acetylcysteine, nutrients shown to protect against toxins that target spermatogenesis and improve sperm counts alone and when combined with clomiphene citrate.⁵⁻⁸ It contains the mineral zinc, critical for both male reproductive pathways and for preventing oxidative stress and sperm DNA fragmentation.⁹ Its comprehensive nutritional support also includes clinically relevant doses of the omega-3 fatty acids DHA and EPA, shown in human trials to improve sperm cell total count and concentration in men with idiopathic oligoasthenoteratospermia, as well as the amino acid L-arginine, which increases nitric oxide production, shown to be critically involved in the regulation of crucial sperm-fertilizing events.¹⁰⁻¹³

Unique Features

- Comprehensive blend of antioxidants and nutrients to support mitochondrial function in sperm, shown to optimize sperm maturation, count, and motility
- Provides clinically relevant doses of omega-3 fatty acids and the nitric oxide precursor L-arginine, critical to optimizing spermatogenesis
- Provides the most bioavailable forms of nutrients, including pyridoxal 5-phosphate, vitamin D3, methylcobalamin, and L-5-methyltetrahydrofolate
- Supports glutathione production, essential for detoxification of many toxins frequently associated with impaired fertility

Mito Motile™

Male Wellness Kit

60 Packets

Code: 9811

Supplement Facts

Serving Size: 1 Packet

Servings per Container: 60

Each Packet Contains: L-arginine: 1 tablet, Vitamin E 400IU with Selenium: 1 tablet, Mito AMP™: 1 capsule, Zinc: 1 tablet, CerebroVital PQQ-10®: 1 softgel, OptiMega-3® with Vitamin D3: 1 softgel, NAC & ALA: 1 tablet, B Complex-Pro™: 1 capsule

L-Arginine

(NPN 80064607)

Each Tablet Contains

L-Arginine (L-Arginine Monohydrochloride)..... 1000 mg
Non-medicinal Ingredients: Microcrystalline cellulose, dibasic calcium phosphate dihydrate, hydroxypropylcellulose, coating (carbohydrate gum [cellulose], glycerin), stearic acid, vegetable grade magnesium stearate (lubricant), silica.

Caution: Consult a health care practitioner prior to use if you are pregnant or breastfeeding, suffer from a cardiovascular disease and are attempting an increase in physical activity, or if you are taking medication for cardiovascular disease, erectile dysfunction, and/or blood thinners, if you have a renal/kidney disease, or if you are following a low protein diet. Consult a health care practitioner if your cardiovascular condition worsens.

Contains no artificial colours, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans.

Vitamin E 400 IU with Selenium

(NPN 02242054)

Each Tablet Contains

Vitamin E (*d*-alpha Tocopheryl Acid Succinate)..... 400 IU
 Selenium (Yeast)..... 100 mcg
 Vitamin C (Ascorbic Acid)..... 100 mg
 Manganese (Gluconate) 10 mg

Non-medicinal Ingredients: Dibasic calcium phosphate dihydrate, microcrystalline cellulose, silica, croscarmellose sodium, vegetable grade magnesium stearate (lubricant), coating (carbohydrate gum [cellulose], glycerin).

Caution: Consult a health care practitioner prior to use if you have a liver disorder, a history of non-melanoma skin cancer, have cardiovascular disease, diabetes or cancer, or are taking blood thinners. Keep out of reach of children.

Contains no artificial colours, preservatives, or sweeteners; no dairy, sugar, wheat, gluten, yeast, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans.

Mito AMP™

(NPN 80044491)

Each Vegetarian Capsule Contains

Acetylcarnitine (N-Acetyl L-Carnitine Hydrochloride) 300 mg
 Ginkgo Biloba Extract (*Ginkgo biloba*) (leaf)
 (24% Flavonoid Glycosides, 6% Terpene Lactones)..... 80 mg
 Japanese Knotweed Extract (*Fallopia japonica*) (root) (20% Trans-Resveratrol) 66.67 mg
 Coenzyme Q10 (Microorganism) 60 mg
 R-Alpha-Lipoic Acid..... 50 mg
 Grape Seed Extract (*Vitis vinifera*) (seed) (80% Oligomeric Proanthocyanidins)..... 30 mg
 BioPQQ® Pyrroloquinoline Quinone (Pyrroloquinoline Quinone Disodium Salt)..... 3.8 mg
 Providing Pyrroloquinoline Quinone..... 3.33 mg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), silica, vegetable grade magnesium stearate (lubricant), microcrystalline cellulose.

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), silica, vegetable grade magnesium stearate (lubricant), microcrystalline cellulose.

Contains no artificial colours, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans.

Zinc

(NPN 80042812)

Each Tablet Contains

Zinc (HVP* Chelate)..... 25 mg
 HVP*: Hydrolyzed Vegetable Protein

Non-medicinal Ingredients: Microcrystalline cellulose, vegetable grade magnesium stearate (lubricant).

Caution: For adult use only. Zinc supplementation can cause a copper deficiency. Keep out of reach of children.

Contains no artificial colours, preservatives, or sweeteners; no dairy, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans.

CerebroVital PQQ-10®

(NPN 80052757)

Each Softgel Contains

Coenzyme Q10 (Microorganism) 200 mg
 BioPQQ® Pyrroloquinoline Quinone (Pyrroloquinoline Quinone Disodium Salt) 20 mg
 Providing Pyrroloquinoline Quinone..... 17.65 mg
 Sun-E 900™ Vitamin E (*d*-alpha Tocopherol) (non-GMO Sunflower Oil)
 (*Helianthus annuus*) (seed) 5 IU

Non-medicinal Ingredients: Softgel (gelatin, glycerin, purified water, carob), flaxseed oil, yellow beeswax, lecithin.

Caution: Consult a health care practitioner prior to use if you are pregnant or breastfeeding, or are taking blood pressure medication or blood thinners. Keep out of reach of children.

Contains no artificial colours, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, salt, tree nuts, or GMOs.

OptiMega-3® with Vitamin D3

(NPN 80020906)

Each Enteripure™ Softgel Contains

Fish Oil Concentrate (Molecularly Distilled, Ultra Purified)
 (Anchovy, Sardine and/or Mackerel) 1425 mg
 Omega-3 Fatty Acids..... 900 mg
 Eicosapentaenoic Acid (EPA) 600 mg
 Docosahexaenoic Acid (DHA) 300 mg
 Vitamin D3 (Cholecalciferol) 1000 IU

Non-medicinal Ingredients: Enteripure™ softgel (gelatin, glycerin, purified water, pectin), natural vitamin E.

Contains no artificial colours, preservatives, or sweeteners; no dairy, sugar, wheat, gluten, yeast, egg, shellfish, salt, tree nuts, or GMOs.

NAC & ALA

(NPN 80055115)

Each Tablet Contains

N-Acetyl-L-Cysteine 250 mg
 Alpha-Lipoic Acid 300 mg

Non-medicinal Ingredients: Microcrystalline cellulose, dibasic calcium phosphate dihydrate, stearic acid, vegetable grade magnesium stearate (lubricant), coating (carbohydrate gum [cellulose], glycerin), silica, croscarmellose sodium.

Caution: Consult a health care practitioner prior to use if you are pregnant or breastfeeding, or if you have diabetes or kidney stones. Do not use this product if you are taking antibiotics or nitroglycerin. Keep out of reach of children.

Contains no artificial colours, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans.

B Complex-Pro™

(NPN 80065324)

Each Vegetarian Capsule Contains

Vitamin B1 (Thiamine Hydrochloride)..... 25 mg
 Benfotiamine 10 mg
 Vitamin B2 (Riboflavin) 10 mg
 Niacin (Inositol Hexanicotinate)..... 100 mg
 Pantothenic Acid (Calcium *d*-Pantothenate) 100 mg
 Vitamin B6 (Pyridoxal 5-Phosphate) 25 mg
 Vitamin B12 (Methylcobalamin) 500 mcg
 Quatrefolic® Folate (L-5-Methyltetrahydrofolate, Glucosamine Salt) 400 mcg
 Biotin 250 mcg
 Choline (Dihydrogen Citrate) 50 mg
 Inositol 25 mg

Non-medicinal Ingredients: Microcrystalline cellulose, vegetarian capsule (carbohydrate gum [cellulose], purified water), vegetable grade magnesium stearate (lubricant).

Caution: People sensitive to nicotinic acid may experience flushing of the skin that is generally mild and transient. Keep out of reach of children.

Contains no artificial colours, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans.

Recommended Adult Dose: 1 packet per day or as directed by a health care practitioner.

Recommended Use: Preconception nutritional support.
